Information for Passengers

Attention of passengers is especially drawn to the terms and conditions as set forth in the Passage Ticket.

The Company reserves the right to change rates and sailing dates, or alter itineraries, without notice.

Reservations. Reservation of accommodation can be made at all important Travel Offices and at the Company's Branches or Agencies. In view of the heavy demand, especially during the high season, passengers are advised to make their bookings as early as possible.

Bearers of open tickets and provisional vouchers are requested to book their passage at least 30 days before sailing date. Passengers are requested, in their own interest, to make their reservation before departure or as soon as they reach their destination. Passengers booked for embarkation at Marseilles (Genoa or Naples), who wish to board a ZIM ship from one of the above-mentioned ports, but not from the first mentioned by them, should notify this change not later than 10 days prior to embarkation to the office in the port from which they had at first intended to sail.

Period of Validity of Tickets. Tickets are valid for a period of six months from the date of issue. Tickets are not transferable.

Reduced Fares for Children. Children up to the age of 3 may travel free of charge. If a family travels with more than one child under the age of 3, a quarter of the fare will be charged for every additional child under this age. Children from 3-12 years of age pay 50% of the fare, and children from 12 years and above pay the full passage amount.

Reductions. A 10% reduction is granted to passengers buying return tickets. The same reduction also applies to those passengers buying combined EL-AL/SOUTHAM return tickets, one way by air — one way by sea, at one and the same time. A reduction of 14%, or the equivalent amount, is granted to students presenting a student's certificate or a photocopy thereof, travelling in Dormitory Class.

Passports, Visas, Health Certificates. It is advisable to check with the passport and visa requirements for the country to which they are travelling. All passengers must be in possession of a valid International Certificate of Vaccination against Small Pox.
