The South American Beat

We go flying down to Rio twice every week. Likewise to Buenos Aires and Santiago and São Paulo. And we've also a weekly flight to Recife.

As a matter of fact, we're the only British airline with regular services to

Brazil, Chile and Argentina.

But, this year, with well over 500 scheduled flights a week to 25 countries, it's hardly surprising we go places no other British airline goes.

How we go is different, too.

If you've never experienced British Caledonian service, we've both got something to look forward to.

Just travel your flight through your travel agent. We'll pamper you all the way to the Pampas.

We plan to flood Amsterdam

We fly high over the Low Countries. This year, in fact, we've increased our London to Amsterdam services to three flights a day, Monday to Friday. And we're going to Double Dutch at weekends with two flights a day. Our daily Glasgow to Amsterdam services, via Newcastle, are also

doubled. Two flights a day, Monday to Friday. Plus a Sunday flight as well as the usual one on Saturday. We fly to Rotterdam more often, too. Three times a day from Gatwick during the week. Twice a day on

Saturday and once on Sunday. So there's more to Holland than you might have thought. Your travel agent can give you the details. But we think 31 flights a week from London and Glasgow is an Amsterdam good service!

Let's go  **BRITISH CALEDONIAN**

General Conditions

Your ticket is subject to the Conditions of Contract printed inside the ticket and to British Caledonian's Conditions of Carriage of Passengers and Baggage, copies of which can be obtained at any British Caledonian Office. A brief summary of information useful to passengers is given below, but for full details apply to any British Caledonian Office or Appointed Travel Agent.

Reservations and Cancellations

Please reserve your seat as far in advance as possible, through any British Caledonian Office or Appointed Travel Agent. Should you wish to cancel or alter your reservation, please inform us immediately.

Special Conditions for UK Domestic Services:

Booking deposit: For journeys between the United Kingdom and Channel Islands only, for bookings made 2 months or more before departure, a booking deposit of £2 per seat will be collected. This deposit, which is included as part of the fare, will not necessarily be refunded if you cancel your reservation.

No-Show charge: Any passenger failing to join the flight on which he is booked will be liable for a No-Show charge of £3.

Reconfirmation Procedures

Your ticket gives full details of Reconfirmation Procedures. In your own interests you are advised to read and observe these procedures.

Passport, Visa, Health and Currency Regulations

Whilst British Caledonian or any Appointed Travel Agent will gladly advise and assist on all matters relating to travel documentation and regulations, it is the responsibility of the passenger to ensure that all necessary regulations are observed, since British Caledonian cannot accept any responsibility for the consequences of any irregularity.

Baggage

Baggage should contain personal effects only, and checked baggage must not include fragile or perishable articles, money, jewellery, securities or other valuables, business documents, etc. Details of British Caledonian's excess value charges for checked and unchecked baggage are available on request. Exceptionally, commercial samples may be carried (subject to weight/size) provided you arrange to be at the airport for international flights not later than the time specified by the local Customs.

Prohibited Articles

Government regulations prohibit the carriage of certain articles, such as explosives, compressed gases, radioactive or magnetic materials, etc. Instruments or articles containing mercury must be so packed as to avoid spillage. If in doubt as to which other articles may be carried, please contact any British Caledonian Office or Appointed Travel Agent.

Free Allowance (International Services)

There is no free allowance for infants travelling at 10% of the adult fare. For all other passengers the free baggage allowance will be:
30 kilos (66 lbs.) per person when First Class fare is paid
20 kilos (44 lbs.) per person when any other fare is paid
Note: Between European points, other air carriers may have different regulations.

Free Allowance (U.K. Domestic Services)

There is no free allowance for infants travelling free of charge. For all other passengers, the free baggage allowance per person is one piece of baggage (i.e. a suitcase), the three dimensions of which when added together do not exceed 67 inches. A piece of baggage exceeding such dimensions will be considered as two pieces of baggage. Additionally, for cabin stowage, each person may carry one case, the dimensions of which do not exceed 18 in. by 14 in. by 6 in., and a briefcase.

Personal Items

In addition to the free allowance, a lady's handbag, an overcoat or wrap, an umbrella or walking stick, a small camera, a pair of binoculars and a reasonable amount of reading matter for the journey may be carried free of charge in the cabin of the aircraft. In connection with infants travelling free

or at 10% fare, a reasonable amount of food for consumption in flight and a carry-cot may be carried free of charge. A fully collapsible invalid's wheelchair, a pair of crutches and/or braces may be carried free of charge provided that the passenger is dependent upon them. Any other item not specifically mentioned above will be weighed (or measured) as part of the free allowance.

Excess Baggage

Excess baggage will be carried if there is space in the aircraft, and will be charged for at applicable rate. Rates shown for Silver Arrow services are in respect of the air portion of travel only.

Unaccompanied Baggage

Unaccompanied baggage may be sent as cargo on all British Caledonian routes. Special reduced rates apply between Europe and Africa or wholly within Africa. Full details from any British Caledonian Cargo Unit Office.

Pets

We regret that we cannot carry pets in the passenger cabin. They can, however, be carried as cargo on most routes by prior arrangement.

Children and Infants

Infants—Generally one infant, not occupying a separate seat, and accompanied by an adult passenger, may travel as follows:

International journeys—at 10% of adult fare, if under 2 years of age. (For infants travelling on the Silver Arrow services specific fares apply, please ask for full details.)

UK Domestic journeys—free of charge, if under 3 years of age.

Additional infants accompanying the same adult travel at 50% of the adult fare.

Children—Generally children over 2 years (over 3 years for UK Domestic services) and under 12 years of age travel at 50% of adult fare. (For Children travelling on the Silver Arrow services specific fares apply, please ask for full details.)

Unaccompanied Children: Children over 6 years and under 12 years of age may travel unaccompanied, provided the parent/guardian arranges for the child to be escorted at points of departure and arrival, and completes a special form. British Caledonian will only permit children under 6 years of age to travel unaccompanied if British Caledonian is able to provide an official escort to accompany the child. The charge made for the escort varies according to the route flown. For certain South American countries, conditions different from those given above may apply. Detailed information concerning unaccompanied children may be obtained from any British Caledonian Office or Appointed Travel Agent.

Catering

Complimentary meals or refreshments, in flight, are provided at appropriate times shown in the schedules. You will find an indication of the type of catering to be provided, however this may change without prior notice. Alcoholic drinks, in flight, are provided free for First Class passengers, and may be purchased by Tourist/Economy Class passengers. Dietary or religious meals can be provided if previously requested.

Surface Transport
