GENERAL INFORMATION

FOR PASSENGERS

CONDITIONS OF CARRIAGE—The carriage of passengers and baggage is subject to the Company's General Conditions of Carriage, a copy of which can be inspected at the Company's Head Office. Extracts from the Conditions are included in the flight tickets.

RESERVATIONS AND CANCELLATIONS—Seats should be reserved as far in advance as possible direct through our Booking Offices or any local agent. It is in your interest to notify us immediately if you wish to cancel your reservation, as we cannot guarantee refund of fare for a reservation cancelled at short notice. Any flight tickets which have been issued should be returned with your notification to cancel.
A deposit of £2 (of which £1 is non-returnable) per seat will secure your reservation. Full payment should be made at least 56 days before the date of flight.

PASSPORTS AND VISAS—Passengers are reminded that Derby Airways cannot accept responsibility for the consequences of any irregularity in passports or any visa you may require for your journey, and passengers must ensure personally that they are in order. Do not pack your passport in your baggage as you will require it on your journey.

CURRENCY CONTROL—If travelling abroad you should consult your local Travel Agent or Bank about regulations applicable to your journey well before the date of travel.

DEPARTURES—Passengers not utilising special coach services (where applicable) are requested to be available at the Airport of embarkation at least 30 minutes before the time of flight for flights limited to the United Kingdom and the Channel Isles. Passengers embarking on Foreign flights (including Eire) are requested to be available at least 45 minutes before the time of flight in order that Customs formalities may be completed. Departure cannot be delayed for passengers who arrive late, and Derby Airways cannot be held responsible for such cases.

U.K. AIRPORT SERVICE CHARGE—The British Ministry of Aviation or local authorities make a charge of seven shillings and sixpence per head on passengers embarking on international flights (including Eire). The only exceptions are children under two years of age and passengers in transit through the United Kingdom. Similar charges are made at some Continental airports. Details on application. These charges are not included in the fare.

BAGGAGE, EXCESS WEIGHT—Baggage in excess of the free allowance may be carried at the appropriate rates subject to space being available. (See Fares Table.)

PERSONAL ITEMS—In addition to the free allowance, the following may be carried free of charge: A lady's handbag, an overcoat or wrap, a foot rug, an umbrella or walking stick, a small camera, a pair of binoculars, a fully collapsible wheel chair and a reasonable amount of reading matter for the flight. Briefcases, typewriters, and large cameras have to be included in the baggage weights under the regulations of the International Air Transport Association.

PROHIBITED ARTICLES—Government regulations do not permit the carriage on aircraft of a number of articles, including inflammable or explosive material, and you are asked not to carry in your baggage articles which are easily ignited, such as cigarette lighter fluid, matches, etc. On Derby Airways aircraft smoking is permitted, and you may carry a box of SAFETY matches or a lighter with you for use on the journey.

CAMERAS—On international journeys cameras must normally be packed in your checked baggage, which is not taken into the cabin with you, as the use of cameras in aircraft is subject to restrictions over most countries.

TICKETS—Your ticket contains important information concerning your flight and includes extracts from our CONDITIONS OF CARRIAGE which govern your journey. Please examine it carefully.

PARTY TRAVEL—There is a reduction of 5 per cent for parties of between 10 and 14 adults and of 10 per cent for parties over 15 adults. (Two children count as one adult.)

PUNCTUALITY—Every effort is made to ensure punctuality of our services, but Derby Airways cannot accept responsibility for the consequences of a delay to, or a cancellation of any flight and cannot guarantee making connections.

PORTABLE ELECTRONIC EQUIPMENT—Passengers may not use any portable electronic equipment, such as radios and tape recorders, during flight, because of possible effect on the aircraft's equipment.

FREIGHT—Freight may be accepted on most passenger flights. Collection and delivery service available. Rates on application.

CHARTER—Passenger aircraft are available for party charter for day or weekend excursions at home or abroad. Immediate quotations for flight only or for fully inclusive outing including accommodation and excursions available from the Commercial Manager, Derby Airport. Freighter aircraft may also be chartered.

OPEN CAR PARKING FACILITIES are available at most airports. Covered accommodation can usually be obtained by prior arrangement.

INTERAVAILABILITY—Derby Airways flight tickets are available for return flights on Aer Lingus, B.E.A., B.O.A.C., British United (C.I.) Airways, K.L.M., Pan American and S.A.S. routes—and vice versa.

CAR HIRE—Self-drive cars are available at most of our destinations. We will be pleased to make the necessary arrangements. (See advertisers' announcements.)

ALL-INCLUSIVE HOLIDAYS—including full hotel accommodation and excursions have been arranged in conjunction with many of our flights. Details on application.

PASSENGER BRIEFING—Before the flight commences you will be fully briefed by the air hostess as to procedure; the height at which you will be flying, estimated time of arrival, the weather and other items of interest. On most foreign and Channel Islands flights she will serve you with duty-free drinks and cigarettes and will be pleased to ensure your comfort during the flight.

A Message from the Directors of Derby Airways

l. to r.: W-Cdr. H. A. Roxburgh; M. M. Ager; D. W. T. Sullivan; R. R. Paine.

You have just been looking at the most comprehensive timetable we have yet produced. We make no excuse for expressing our pride in being able to offer you a network of air services extending from Glasgow and Belfast in the north to Majorca and Barcelona in the south. The facilities we provide are those which you, the travelling public, have requested—and equally important—from the airports most convenient to you.

Our policy of bringing the benefit of air travel to your doorstep is bringing rewarding results. We have been in the civil aviation business since 1938 and every year we have inaugurated new routes, increased our frequencies, operated more aircraft and, over the years, we have opened up several provincial airports to scheduled service traffic.

But that is not the whole story—all our aircraft are available for charter and perform a valuable service in carrying clubs, associations and works parties on day or weekend excursions to home and Continental destinations from their nearest airport.

In 1961 we carried our millionth passenger and we are now well on the way towards our two-millionth.

You will, we trust, find on our aircraft that personal service which cherishes first-flyer and seasoned traveller alike.

We wish you good flying with DERBY AIRWAYS in 1963.

W. A. Roxburgh
