

GENERAL PASSENGER INFORMATION

● **BAGGAGE** - Baggage includes all luggage, parcels and packages carried in the cabin or checked in the cargo space. Overcoats, umbrellas, ladies' pocketbooks and small cameras carried by the passenger will not be weighed as 'baggage'. Ethiopian Air Lines may limit the weight, size and type of baggage. Domestic passengers or passengers who have paid the tourist or economy fare are allowed 20 kilos free baggage; the first class free baggage allowance is 30 kilos. There are special rates for unaccompanied baggage. The charges for excess baggage per kilo amount to 1/2% of the first class one way fare for transportation in propeller driven aircraft, whether or not propeller driven aircraft is used. Children paying one half fare are granted free baggage allowance on the same basis as a passenger paying the adult fare. Children travelling at the 10% fare receive no free baggage allowance.

● **BAGGAGE-EXCESS VALUE** - Ethiopian Air Lines' liability for baggage is limited to its actual value, but not more than US \$16.50 per kilo for checked baggage and US \$330.00 per passenger for unchecked baggage on international trips, unless a higher evaluation is stated before the flight and a charge of US \$5 on international trips is paid for each extra US \$100.00 or fraction thereof claimed, up to a maximum of US \$4,200.00. Liability for baggage carried on wholly domestic tickets is limited by and subject to the Commercial Code of Ethiopia.

● **CARGO** - Mail and cargo are carried on all flights. Certain domesticated pets may be carried upon prior arrangement with the carrier.

● **CHECK-IN FOR FLIGHTS** - In order to allow time for embarkation formalities, passengers must check-in at the airport ticket counter a minimum of 30 minutes prior to domestic scheduled departure and 60 minutes prior to international scheduled departure. The time shown on the flight coupon is the departure time of the aircraft. The check-in time shown is the latest time at which passengers can be accepted for travel; it allows the minimum time to complete all the formalities. In your own interests you should plan to arrive at the town terminal or airport in good time as this will help to ensure that your aircraft departs on schedule. You are also advised to check local road conditions to avoid possible delay for this reason. Flights cannot be held for passengers arriving late and no responsibility can be accepted in such cases.

● **CHILDREN'S FARE** - On international transportation, one child under two years not occupying a seat carried with each accompanying adult passenger is charged 10% of the adult fare. Children over 2 years and under 12 years, a child under 2 years occupying a seat and more than one child under 2 years accompanying a passenger are each charged one-half adult fare. Children may travel alone only under certain conditions.

● **GROUND TRANSPORTATION** - Available between downtown scheduled pick-up points and airport at passenger's expense.

● **MEAL SERVICE** - Complimentary meals are served on all international flights at appropriate meal times. Complimentary snacks are offered between meal periods.

● **NO-SHOW PENALTY** - Passengers who fail to use confirmed space on an international flight, and do not cancel such space before flight departure will be assessed a penalty of 25% of the one way fare to destination or to the first point of stop-over of more than six hours duration or the sum of US \$70.00, whichever is smaller.

● **RESERVATIONS** - Ethiopian Air Lines may refuse passage to any person when such action is necessary to comply with applicable governmental or tariff regulations, or because of reasons beyond the control of the carrier. Reservations are not definite until tickets are purchased. On international travel, failure to reconfirm reservations beyond a stop-over city within 72 hours of flight departure may result in cancellation of such reservations.

● **SCHEDULES** - Ethiopian Air Lines reserves the right to alter schedules without notice and cannot accept any liability for the delay or the cancellation of its services.

● **STOPOVERS** - Within the time limit of the ticket, stopovers will be permitted at any scheduled stop provided the passenger can satisfy all local governmental disembarkation requirements at the stopover point and the fare allowed the passenger does not restrict such stopover.

● **TARIFFS** - All international fares, rates and conditions of carriage are subject to the regulations of the International Air Transport Association of which Ethiopian Air Lines is a member.
