GENERAL INFORMATION

The following extracts from our regulations are for your guidance. Full details are availabe at any Ghana Airways Office.

TICKETS are issued subject to our Conditions of Carriage. These are available in full at all Ghana Airways offices, but some extracts are given here for your information.

BAGGAGE. On international flights on which a first class fare is paid the free baggage allowance is 30 Kilos (66 lbs); for international tourist class fares the free baggage allowance is 20 kilos (44 lbs.) On Ghana Airways internal services within Ghana 20 kilos (44 lbs.) of baggage may be carried free of charge, except that passengers paying first class fares and travelling to or from Ghana have 30 kilos (66 lbs.) free baggage allowance on the Ghana Airwyas internal flight as well as on the international flight.

All items of baggage are weighed except an overcoat, a rug, an umbrella or walking stick, small camera, pair of binoculars, and reasonable reading matter for the journey.

These baggage allowances apply equally to adults and to children occupying seats at 50% fare. Infants at 10% fare, not occupying seats, have no baggage allowance, but a carry-cot with food etc. for the journey may be carried free. EXCESS BAGGAGE may be carried, subject to space being available, at standard rates. Baggage may also be sent unaccompanied over most routes at a very much reduced rate. Details available on enquiry.

EXCESS VALUE CHARGES are payable if you wish to declare your baggage to be worth more than £36 (U.S. 100 dollars).

PETS may be carried on some routes provided they are of moderate size and suitably contained. All arrangements must be made in advance of the travel date.

OFFENSIVE and DANGEROUS SUBSTANCES may not be taken on board aircraft. Full details of prohibited materials are available on request.

NOTE: A cigarette-lighter or safety matches may by carried be each passenger.

STOPOVERS: On international flights, except when precluded by Government order, you may break your journey at one or more places en route at the normal through fare, provided you advise our booking office of your intention prior to commencement of your journey. All expenses at stopover points are the passenger's own responsibility.

RETURN TICKETS on international journeys usually cost less than two single fares between the same points. To secure this reduction the complete return fare must be paid before the commencement of travel. If the return portion is not used the difference between the return fare paid and the sinlge fare for the actual journey travelled will be refunded provided the cancellation regulations have been complied with.

CANCELLATIONS: Passengers who fail to join the international service for which they hold a reservation are liable to a charge of not less than 25% of the one-way fare provided that such charge does not exceed £25 or is less than £2. Passengers failing to join an Internal flight within Ghana will forfeit the fare for the sector involved. Bookings are regarded as provisional until a ticket has been issued, and payment for travel should be made at least 48 hours before departure, as unticketed bookings are otherwise liable to cancellation within this time limit.

CHILDREN (over 2 YEARS but not yet 12 years old) travel at HALF the applicable adult fare, and have all the facilities of adult passengers.

INFANTS (under 2 years of age) travel at one-tenth the applicable adult fare, but do not occupy a seat and have no free baggage allowance. Only one infant may accompany each adult, additional infant, or infants occupying a passenger seat will be treated as CHILDREN and charged 50% fare. The age at commencement of travel determines the fare to be charged. Unaccompanied children below 7 years of age are not normally accepted for international travel.

SEAT REQUESTS: Specific seats cannot be guaranteed although every effort will be made to meet your requirements.

HEALTH REGULATIONS of most countries require you to have an International Certificate of Vaccination against smallpox. Passengers in, to or from West Africa also need certificates of innoculation against yellow fever.

CHECH-IN TIMES allow the minimum for embarkation formalities. Flights cannot be delayed for passengers arriving late nor do we accept any responsibilty in such cases.

CONNECTIONS with other services are not guaranteed, although Ghana Airways makes every endeavour to ensure the punctuality of its services.

TRAVEL ADVICE

WE ADVISE YOU TO:

* Book early and confirm onward or return reservations at destination and transfer points.
* Save money by purchasing all tickets for your journey before departure time.
* Book your hotel accommodation well in advance.
* Pack all you will need during flight in a small cabin bag. All other articles should be packed in registered baggage, one case containing all that is required at nightstops. Cabin baggage should be kept at a minimum.
* Carry your Passport, Health Certificate and Currency with you. Do not pack them.
* Carry any valuable, such as jewellery, personally whenever possible.
* Check the "Message Board" on arrival. If friends are meeting you give them your service and flight number.
* Ghana Airways Offices will always advise you about the correct addressing of mail.
* See your GHANA AIRWAYS APPOINTED TRAVEL AGENT. He is there to help and will offer you complete trip planning advice at no extra cost.
