

PASSENGER INFORMATION

The Safari Services were initiated by Hunting-Clan Air Transport Ltd. and Airwork Limited, for businessmen, holiday-makers and families who prefer a leisurely, comfortable air passage at an economical price, with personal service. The services fill this need by eliminating the frills and fancies of luxury flying but retaining top flight operational standards. The night-stops en route ensure that the Safari Service traveller arrives fresh, relaxed and fully acclimatised, and the comparatively leisurely journey avoids the monotony of lengthy spells in the air.

BOOKING

Passenger tickets are issued subject to the Conditions of Carriage of Passengers and Baggage, details of which are obtainable at our Booking Offices. The most important Conditions are shown in the ticket cover. Your fare includes transport between Terminals and Airports while in transit, hotel accommodation, including meals, at night-stops en route; meals and light refreshments in flight.

Note: A London Airport service charge of 5/- is payable in addition to fares quoted.

HEALTH

All Safari passengers must be in possession of International Certificates of Vaccination against Smallpox (validity 10 days to 3 years) and Certificate of Inoculation against Yellow Fever (validity 10 days to 6 years). These are NOT required for LONDON-GIBRALTAR flights.

CURRENCY REGULATIONS

Passengers should consult their travel agency or bank on existing currency regulations and are recommended to carry Travellers Cheques endorsed for the countries visited en route. *Current Coupons* in small denominations can be purchased on request and will be found useful for buying small items such as stamps, postcards, etc., en route.

PASSPORT

Holders of British Passports issued in the U.K. do not require visas for travel between the U.K., East, Central or British West Africa but for passengers travelling to East or Central Africa, passports must be endorsed for travel to all countries in Europe, the British Commonwealth, Egypt and the Sudan. All visitors to Kenya and Uganda must be in possession of either a Visitor's Permit or an Entry Permit. Passengers taking up permanent residence in Central Africa must be in possession of a Resident's Permit. Those whose stay does not exceed three months do not require a permit. Passports for British Passengers travelling to British West Africa should be valid for the British Commonwealth, Tangier, Morocco and French and Spanish possessions. Passengers for Ghana must hold Entry Permits or Visitors' Passes before arrival there. For travel to Gibraltar a valid British Passport is required.

DEPARTURE

Flights cannot be delayed for passengers not reporting on time. If passengers are delayed in transit, they should inform the Company on whose service they are travelling, in case special arrangements can be made to join the aircraft.

The free allowance which applies to each adult Gibraltar passenger (or child paying the full adult fare) is 15 kilos.
