TIME TABLE

EFFECTIVE NOVEMBER 1, 1952

GENERAL INFORMATION

Reservations: To ensure your passage on the required date, a reservation should be made well in advance, with any authorized agent or El Al Israel Airlines booking office.

Passengers are advised to notify the booking clerk of their address and phone number in case of time-table changes.

At your destination or transit point, you are advised to confirm return or onward reservation at least 72 hours before departure.

Cancellation of Reservations: If you have to cancel or defer your reservation, please let us know 72 hours prior to the scheduled departure time.

If cancellation is made before the deadline, the ticket will be refunded, less any expenses incurred. If it is made after the deadline, a cancellation-fee may be charged in accordance with the regulations of the Carrier, which may amount to any sum up to the total fare.

Government Regulations: A valid certificate of inoculations 5 days or vaccinations, issued on a special international form, are indispensable requirements of most countries. Please ask our advice on what is necessary in your case. The certificate should be carried attached to your passport. A "Sailing Permit" indicating U. S. tax compliance must be obtained at least 10 days before departure from the U. S. by any passenger who is not a citizen of the U. S. The British Ministry of Civil Aviation imposes a charge for airport services related to international passengers departing from state airports in the United Kingdom. This is at a rate of \$7-per passenger and the only exemptions are children under 2 years of age and passengers in transit. The charge will be collected on departure in cash and the passenger should have this sum available.

Your Ticket and Conditions of Contract: Your ticket is issued subject to these regulations and to the "General Conditions of Carriage of Passengers and Baggage" of the International Air Transport Association (IATA). The Conditions of Carriage mentioned on the air-ticket and specific instructions and rules of El Al Passengers enjoy stop-over privileges as specified in the ticket, at any city served by El Al Israel Airlines en route. This facility is subject to local immigration regulations and the time-limit conditions.

Abatements:

A) Return tickets: If you purchase a normal round trip ticket, you are entitled to a reduction of 10% on twice the normal through one-way fare. This abatement is valid for one or more commencing from the date of travel shown on the ticket for the onward journey. This abatement also holds good for return trips following a different route from that of the onward journey and round-trips.

B) Children & Infants: An infant under two accompanied by one adult, and not occupying a separate seat, is charged at 10% of the published fare. Additional infants under two accompanying the same adult, on infant under two occupying a separate seat and children between the ages of two and twelve are charged half fare. Age is taken as at the beginning of the outward journey.

C) Students: Further abatements are granted under certain conditions to students under 26 years of age. Further information on this point is obtainable at our offices.

Baggage: Each passenger paying full or half fare is entitled to a free baggage allowance of 30 Kgs. (about 66 lbs.). However, where tourist-class fares are charged and for short journeys, the free baggage allowance is 20 Kgs. (about 44 lbs.). Infants travelling on a 10% fare have no free baggage allowance other than a carrycot or portable cradle. In addition to the free baggage allowance, passengers may take with them the following articles:

- A lady's handbag or pocketbook;
- An overcoat or wrap;
- A tool rug;
- An umbrella or walking stick;
- A small camera and a pair of binoculars;
- A reasonable amount of reading matter for the flight; and
- Infant's food for consumption en route and infant's carrying basket.

Please note that brief cases, typewriters and parcels are not included in this category, and will be weighed as part of your free allowance.

Excess Baggage: On most journeys, the first 10 Kgs. of baggage in excess of your free allowance will be subject to charges of about 1% of the normal single fare per kilo. For baggage in excess of these first 10 Kgs. payment will be charged in accordance with the baggage rates obtainable at all El Al offices.

Meals & Refreshments: Meals and refreshments are served free of charge on all El Al services except for local flights, where a nominal charge is levied. All food served by El Al is Kosher.

Fares: Fares are subject to alteration without previous notice and unless otherwise indicated, they include the cost of passage and free baggage allowance, calculated on an airport-to-airport basis.

Schedules: This time-table indicates local times of arrival and departure at airports. These are, however, not guaranteed and are subject to alteration without notice.

NOTE: All the information included in this time-table is liable to alteration without notice.
