General Information for Passengers

Transport Conditions
Transport is effected in accordance with the General Conditions of Carriage, an extract of which is printed inside the ticket.

Timetable
Although every effort is made to ensure the punctuality of all services, Somali Airlines cannot accept responsibility for delays or missed connections. The Company reserves the right to cancel its services or to modify its schedules without accepting liability.

Documents
Passengers must ensure personally that their passports, travel permits, visas, certificates of health and inoculation required for the journey are in order, because the Company does not accept responsibility for the consequence of any irregularity.

Departures
The time shown on the flight coupon is the departure time of the aircraft. The check-in time shown is the time after which passengers cannot be accepted for travel. In order to comply with all necessary formalities, passengers are requested to assemble at the Airport before the check-in time.

Childrens Fares
Infants under 2 years of age, not occupying separate seats, will pay only 10% of the adult fare. Each infant must be accompanied by an adult. If a passenger accompanies more than one infant, additional ones will pay 50% of the adult fare. Children between 2 and 12 years of age will pay 50% of the adult fare. There are some exceptions for journeys between specified points.

Confirmation of Bookings at Mogadishu
Reservations for all international flights from Mogadishu should be confirmed within 24 hours before scheduled departure.

Cancellation of Bookings
Passengers are kindly requested to cancel their reservations when same cannot be taken up. Names of passengers who have booked seats on a certain flight but who fail to purchase or to produce their tickets within 24 hours from departure time will be cancelled when their seats are needed by waitlisted passengers.

Free Baggage Allowance
Every adult or child (paying half the normal fare) travelling on international flights is allowed 30 kg. of baggage in first class and 20 kg. in tourist/economy class. For journeys within Somalia the free baggage allowance is 15 kg. except when otherwise shown on the ticket. Infants paying 10% of the adult fare are not entitled to any baggage allowance.

Excess Baggage
Baggage in excess of the free allowance will be subject to the payment of the proper charge. For details please enquire at the time of booking.

Note
Domestic schedule operated with Dornier Aircraft is not incorporated in this timetable but can be obtained separately from Booking Offices.
