What Every Passenger Should Know

LONDON How to get to Croydon Airport	Passengers from LONDON to DUBLIN can travel by the SOUTHERN ELECTRIC RAILWAY and book to WADDON RAILWAY STATION, where the Company's car meets the trains shown at the top of the Time-table.
CROYDON (Airport)	Passengers are requested to be at the Airport at least 15 minutes before the advertised time of departure of aircraft to allow for the weighing of passengers and their baggage.
AIRCRAFT	All aircraft used on these Services are equipped with lavatory accomodation, wireless and wireless operator, blind-flying instruments, and are in constant touch with ground stations throughout the flight. The aircraft are multi-engined, fitted with well-appointed saloon cabins, each passenger having an upholstered lounge seat which ensures restful flying comfort. Ventilators can be controlled to suit individual taste, and warm air radiators maintain a comfortable indoor temperature.
SPEED COMFORT RELIABILITY	Air Travel provides these three essentials and eliminates the fatigue usually associated with other methods of transportation. AIR TRAVEL IS INEXPENSIVE.
