USEFUL INFORMATION

Your Ticket and Conditions of Contract — Your ticket is subject to the Conditions of Contract printed on the inside of the front cover. Except as stated therein, these Conditions incorporate our General Conditions of Carriage of passengers and baggage.

Free Baggage Allowance and Excess Baggage Charge — The free baggage allowance is 20 kilos (44 lbs). For passengers holding first class tickets on the connecting carrier, the free allowance applicable is 30 kilos (66 lbs). Children at half-fare are entitled to the adult allowance. Infants travelling at the 10% fare have no free allowance. Personal articles such as ladies handbag, binoculars, camera, etc., are carried free, but briefcases, overnight bags, attache cases, shopping bags and parcels are weighed as part of your free allowance.

Excess baggage charges vary according to your journey, but where applicable are based at 1% of the first class single fare per kilo.

Children and Infants — An infant under two accompanied by an adult, and not occupying a separate seat is charged 10% of the adult fare. Additional infants under two accompanying the same adult, and infant under two occupying a separate seat and children between the ages of two and twelve are charged half the normal adult fare.

Airport Check-in — It is essential, so that LIAT can maintain on-time departures, for passengers to check-in at the airport 60 minutes before schedule flight time departure other than on "Air Shuttle" services where a 30 minute check-in time applies. Flights cannot be delayed for passengers arriving late and LIAT cannot accept any responsibilities in such cases.

Reconfirmation/Cancellations — If you hold an onward or return reservation, it is necessary to reconfirm your intention to travel with the local Reservations Office of the Carrier at least 72 hours before departure. Failure to do so will result in the cancellation of your reservation.

Stopovers — In most cases, you may break your journey at one or more places en route, and retain the benefit of the through fare, provided notice is given at the time of reservation. Hotel expenses at each stop-over will be your responsibility.

Essential Travel Documents — LIAT recommends that you carry a valid passport and health certificate when travelling.

Additional Taxes or Charges — Any ticket, transportation, airport taxes, or charges imposed by Government regulations are payable by the passenger in cash in local currency. Credit cards cannot be accepted to cover these charges.

Punctuality — While every effort is made to ensure the punctuality of our services, LIAT cannot accept responsibility for the delay or suspension of a service nor guarantee that connections will be made with other air services or surface carriers.
