GENERAL INFORMATION

HELICOPTER RESERVATIONS: Be sure to make your helicopter reservations at the same time that you make your connecting airline reservations and save hours in travel time. Helicopter reservations may be made through any airline office, through any travel agency, or by calling the local Los Angeles Airways phone number. Reservations are tentative only until a ticket is purchased indicating the confirmed reserved helicopter space thereon.

TICKETS: Be sure to have the LAA helicopter space included in your air ticket for the entire trip. Tickets, including your helicopter flights, may be purchased from any airline office or from any authorized travel agent, or from LAA Heliport Offices.

THROUGH TICKETING: LAA has through-interairline-ticketing arrangements with all other scheduled airlines. Passengers may now be ticketed right through to their final destination — anywhere in the world.

JOINT-FARES: Travelers can now save up to $5.25 one-way and $10.52 round-trip on new joint-fare arrangements. Reminder to Travel Agents and Airline Offices: Be sure and include the L. A. Airways helicopter portion, when the passenger is making his reservation and purchasing his ticket for any air trip. Tariff Regulations require that Interline or Add-on tickets be purchased prior to commencement of the trip in order that the passenger be given advantage of joint-fare savings.

- **See Your Connecting Airline Office, or**
- **Phone Los Angeles Airways. (213) 646-3737**

SCHEDULES: Flight schedules may be obtained from any airline ticket office or travel agency or from Los Angeles Airways direct, and are included monthly in the Official Airline Guide.

BAGGAGE: LAA has through-interline-ticketing with all other scheduled airlines, so that your baggage may be checked through to your destination right from your local heliport.

BAGGAGE ALLOWANCE: Check 2 bags free. One not to exceed 62" (Add length - width - height), and a second piece not to exceed 55". You may also carry aboard one or more pieces as long as the total dimensions of these pieces do not exceed 9" in height, 13" in width, 21" in length and MUST be stowed under your seat. Free baggage allowance is 66 pounds on First Class International flights (44 pounds on International Aircoach).
Los Angeles Airways' liability for baggage will not exceed $500.00 (per passenger) unless a higher valuation is declared and a slight extra charge paid.

INSURANCE: Airline trip insurance may be purchased for LAA flights.

EQUIPMENT: 28 passenger, twin-engine turbine-powered Sikorsky S-61 helicopters on all flights.
