PASSENGER REGULATIONS AND GENERAL INFORMATION

Cancellation of Reservations

If you have to cancel or defer your reservation, please let us know at the earliest possible moment and return your ticket. We cannot guarantee refund of fare for reservations cancelled or transferred at short notice.

Airport Departure Formalities

Passengers are requested to report at the Airport 1 hour before the scheduled time of departure. Flights cannot be delayed for passengers arriving late, and we cannot accept any responsibility in such cases.

Children and Infants

An infant under two accompanied by an adult, and not occupying a separate seat, is charged 10% of the adult fare. Additional infants under two accompanying the same adult, and infant under two occupying a separate seat and children between the ages of two and twelve are charged half the normal adult fare.

Prohibited Articles

Government regulations do not permit the carriage of inflammable or explosive material in aircraft. You are, therefore, reminded not to carry in your baggage or on your person any articles, which are easily ignited, such as cigarette lighter fuel, matches, photographic flash bulbs, etc. The only exception is that where smoking is allowed on aircraft, you may carry a small supply of safety matches or a lighter on your person.

Free Baggage Allowance and Excess Baggage Charges

The free baggage allowance is 20 kilos (44 lb) for tourist class passengers and 30 kilos (66 lb) for first class passengers. Children at half-fare are entitled to the adult allowance. Infants travelling at 10% fare have no free allowance, but a portable cradle may be carried without charge. Personal articles such as a lady's handbag, binoculars, etc; are carried free, but brief cases, overnight bags, attache cases and parcels are weighed as part of your free allowance. Excess baggage is charged at 1% of the first class single fare per kilo.

Your Ticket and Condition of Carriage

Your ticket is issued subject to these Regulations and to our General Conditions of Carriage of passengers and baggage, of which you will find an extract on the ticket. The full Conditions are available for examination at any of the airlines' or Agents' Offices.
