General Information

All schedules and other information stated in this timetable are SUBJECT TO GOVERNMENT APPROVAL.

Conditions of Carriage. All carriage of passengers and their baggage is subject to the General Conditions of Carriage of Passengers and Baggage, which are accessible to the public at THAI INTERNATIONAL or SAS offices. In your ticket you will find an extract of these conditions.

Schedules

All times stated in this timetable are the actual local times at the place in question. The difference between actual local times and GMT will appear in "Comparative Times" on page 10. ALL TIMES ARE SUBJECT TO ALTERATION WITHOUT NOTICE.
Passengers are therefore requested to check the times when making their reservations. THAI INTERNATIONAL does everything possible to maintain the regularity of the routes. No responsibility, however, can be accepted for any delay or cancellation of a flight, nor for missed connections.

Reservations

Request for reservations should be made well in advance, either through a THAI INTERNATIONAL ticket office or any authorized travel agent. At destination transfer or stop-over point you are requested to confirm your return or onward reservations.

Traffic restrictions

Traffic restrictions are in force on certain sectors of some services. For detailed information please apply to your Travel Agent or THAI INTERNATIONAL or SAS offices.

Cancellation of Reservations

If cancellation of your reservation is necessary, please make it earliest possible and return your ticket.

No tipping, please!
THAI INTERNATIONAL employees take pride in their share of the company's reputation for service and do not accept gratuities.

Tickets

Tickets issued at normal one-way, round or circle trip fares are valid for one year from the date of commencement of travel, or, if no portion of the ticket has been used, one year from the date of issue. Please examine the ticket carefully; it contains important information concerning the journey.

Children's Fares

1) The fare for infants under two years of age and not occupying individual seats is 10% of the adult fare, provided each infant is accompanied by an adult.
2) 50% of the adult fare is charged for children as below:
   a) children between two and twelve years of age.
   b) infants under two years occupying individual seats, and infants in excess of the one accompanied by a passenger paying the adult fare.

The age limits shall be taken as from the date of commencement of the outward journey.

Students

Special reduced fares are available for students over 12 and under 26 years of age attending a full-time course for a school year at an educational establishment when travelling from/to their country of residence or their parents resident in another country, to/from the educational establishment abroad and return. Further details are obtainable at authorized travel agencies and THAI INTERNATIONAL or SAS offices.

Refunds

Refund of a fare, may be granted only if application for such refund is made not later than 30 days after the expiry date of the document concerned.

Baggage

Baggage includes all luggage, i.e., typewriters, night-bags, brief-cases, etc., whether carried in the cabin or in the baggage compartments. Checked baggage is not available during flights or at intermediate stops. All baggage, including baggage carried in the cabin, is to be marked with the passenger's name and address. Please note that the weight of the baggage carried in the cabin must not exceed 5 kilos and is also included in the total baggage weight.
When packing, special care should be given to the fact that the following articles must not be packed in checked baggage: Fragile and perishable articles, money, jewelry silverware, negotiable papers, securities or other valuables, samples or business documents. Make sure any bottles containing liquid have screw caps firmly closed. Inflammable articles, explosive or evil-smelling material, etc., must not be carried on board aircraft. Matches and cigarette lighters are not allowed in the registered baggage.

Free Baggage Allowance

The free baggage allowance which applies to each adult (or child paying half the adult fare) is:
First class – 30 kilograms (66 lb.)
Tourist class – 20 kilograms (44 lb.)
Hong Kong/Taipei v.v. Sector, First and Tourist class – 30 kilograms (66 lb.)
Rangoon/Calcutta v.v. Sector, First and Tourist class – 30 kilograms (66 lb.)
The following articles may also be carried free, provided they are in the passenger's custody in the cabin: An umbrella or walking stick, infants' food for consumption enroute and infant's carrying basket, a reasonable amount of reading materiel for the flight, a lady's handbag, an overcoat or wrap, a small camera, a pair of binoculars and a footrug.

Excess Baggage

Baggage in excess of the free baggage allowance may be forwarded:
1) As excess baggage at a charge of 1% of the normal adult, first class, one-way fare per kilo.
2) As air cargo at ordinary cargo rates.
3) As unaccompanied baggage prior to or after the passenger's departure at 50% of the under – 45 kilo general cargo rate. The passenger must hold an airticket between the same two points and the minimum charge is for 10 kilos.

In all cases the excess baggage should be booked well in advance of departure to secure transport on the flight required.

Cargo and Mail

All THAI INTERNATIONAL planes carry cargo and mail. Every authorized cargo agent and all THAI INTERNATIONAL or SAS offices are always prepared to assist you with all details regarding cargo rates and procedures.

Attendance on Board

Air hostesses and stewards are in attendance for your convenience.

Babies

Special facilities are available on board our routes for passengers travelling with babies. Please request baby facilities in advance.

Sick or Invalid Passengers

In order to enable THAI INTERNATIONAL to properly attend to the transportation of sick or invalid passengers without inconvenience to them or the other passengers, it is necessary that THAI INTEPNATIONAL is thoroughly informed of the requirements of such passengers well in advance of departure.

Meals en Route

All meals and refreshments served on board THAI INTERNATIONAL are free of charge. Information about meals and refreshments served on various THAI INTERNATIONAL routes can be obtained from the schedules in this timetable.

Sale on Board

On all THAI INTERNATIONAL routes there will be liquors and cigarettes available at favourable prices.

Stopovers

Stopovers may normally be made at any scheduled stop, when arranged with THAI INTERNATIONAL in advance and specified on the ticket, provided this complies with traffic rights granted and the journey is completed within the period of validity of the ticket.

Intermediate Stops

Throughgoing passengers will normally be requested to leave the aircraft and proceed to the transithall at intermediate stops en route. Excepted from this rule are stops of 20 minutes or less where the throughgoing passengers have to remain on board.

Overnight Stops

On scheduled overnight stops, hotel, meal, and transportation expenses are paid by THAI INTERNATIONAL.

Currency

As most authorities restrict the cash amount of currency to be taken into and out of their countries, travellers are recommended to carry only a small amount in cash (sufficient to cover immediate expenses) and the balance of their funds in the form of travellers cheques or letters of credit.

Electronic Devices

Electronic devices such as portable radios, recorders, etc. must not be utilized during flight in order not to disturb the navigational aids of the aircraft. Passengers hearing aids are excepted from this rule.

Hotels

There is an acute shortage of hotel accomodation in most cities all over the world. To avoid difficulties passengers should always make their hotel reservations when booking their air passage.

Insurance

Airline passengers may obtain personal as well as baggage insurance at reasonable rates. Full details can be obtained at all THAI INTERNATIONAL or SAS offices and travel agencies.

Cameras and Binoculars

Certain countries forbid the use of cameras and binoculars in and over their territories.

Passport, Visas etc.

It is the duty of the passenger to see that passports, exit permits, visas, certificates of vaccination, etc., are in order. THAI INTERNATIONAL or SAS offices will supply all information necessary in this respect, but are not responsible for its accuracy.

Fountain Pens and Lighters

Due to low pressure at high altitudes, fountain pens are very likely to leak, so, when on board, take care to open your pen with the point up, or–better still – ask the air hostess to open it for you.
The low pressure also affects cigarette lighters, so ensure that yours is not newly filled.

Ground Transport

THAI INTERNATIONAL will provide transportation free of charge between most airports and city terminals. Please observe closely the check-in-times at the city terminal or the airport. For your convenience these timings are indicated on your ticket.

Interline Travel

Through the facilities of interline agreements THAI INTERNATIONAL's tickets are good for travel on all major airlines in the world.
