General Information

RESERVATIONS AND CANCELLATIONS: Seats should be reserved as far in advance as possible through AIR RHODESIA Booking Office or Agent. If you have to cancel or defer your reservations, please let us know as early as possible and return your ticket.

RECONFIRMATION: If you hold an onward or return reservation, it is necessary to reconfirm your intention to travel with the local Reservations Office of the Carrier at least 72 hours before departure. Failure to do so will result in the cancellation of your reservation.

STOPOVERS: In most cases, you may break your journey at one or more places en route and retain the benefit of the through fare, provided notice is given at the time of reservation. Hotel expenses at each stop-over will be your responsibility.

YOUR TICKET: Your ticket is valid only for the date and flight shown thereon and, unless otherwise stated, the return validity is twelve months from date of outward travel.

YOUR FARE INCLUDES: Carriage by air from airport of embarkation to airport of destination, and free baggage allowance, all meals and light refreshments during flight. Hotel accommodation, meals and ground transport are usually provided on transfer from Air Rhodesia services to direct connecting services up to a maximum of 24 hours.

Hotel accommodation and meals will not be provided for interline passengers at connecting points for journeys having both origin and destination within the area comprised of:

Malawi, Rhodesia, Zambia, Democratic Republic of Congo, South Africa, South West Africa, Botswana, Lesotho, Swaziland and Mocambique.

Hotel accommodation at most destinations is very limited. However, the airline will, on request, assist wherever possible. Incidental expenses are payable by the passenger.

All fares shown are subject to alteration without prior notice.

DEPARTURE/CHECK-IN TIMES: Passengers must arrive at the Town Terminal or Airport early enough for all formalities to be completed. On your ticket you will find an indication of the check-in time; this is the time by which passengers must have presented themselves and their baggage at the airline desk and have been accepted for the flight. Departures cannot be delayed for passengers who arrive late. Road transport arrangements to the Airport are notified when tickets are purchased.

CHILDREN AND INFANTS: An infant under two accompanied by an adult, and not occupying a separate seat, is charged 10 per cent of the applicable First, Economy, or Skycoach adult fare. Additional infants under two accompanying the same adult, an infant under two occupying a separate seat, and children of two years of age and over, who have not yet reached their twelfth birthday, are charged 50 per cent of the applicable First, Economy, or Skycoach adult fare. Age is taken as that at the beginning of the outward journey. Children may travel unaccompanied, subject to certain conditions, with the permission of their parent or guardian. In the child's interest Air Rhodesia requires that he/she be escorted to the airport of departure and met at the airport of arrival and that the name and address of the escort be given at the time of reservation. Please apply to any Air Rhodesia office for details.

REDUCED FARES: Excursion fares, and reductions for Students are available in certain circumstances.

TRAVEL DOCUMENTS: It is the passenger's responsibility to ensure that the documents necessary for travel are in order, and the carrier cannot accept responsibility for the consequences of any irregularity.

PASSPORTS AND VISAS: Your passport, containing any necessary visas, will have to be shown during your journey, so please carry it; do not pack it!

HEALTH CERTIFICATES: For travel in Africa it is advisable to have:

(*a*) A valid Yellow Fever Certificate. Validity is from 10 days to 10 years from date of primary inoculation. Re-inoculations are valid at once for 10 years.

(*b*) A valid Smallpox Certificate. Validity of primary vaccination from 8 days to 3 years from date of certification of reaction. For re-vaccination, it is immediately effective for 3 years.

Due to frequent changes in Cholera regulations you are advised to check the requirements of the country(ies) you intend to visit in sufficient time to obtain inoculations if necessary.

BAGGAGE: Free Baggage Allowance of 20 kg, Economy: 15 kg, Skycoach is normally granted on Air Rhodesia services. In certain circumstances 30 kg allowance is permitted. For details please enquire at time of booking.

Children travelling at half-fare receive the full adult allowance, but infants travelling at 10 per cent of the fare have no allowance. A carrycot or portable cradle is, however, included free in the child's own personal weight.

In addition to the free allowance, the following may be carried free of charge: a lady's handbag, an overcoat, wrap or blanket, an umbrella or walking stick, a small camera, a pair of binoculars, an invalid's fully collapsible wheel chair, a pair of crutches and a reasonable amount of reading matter for the flight. Brief cases, typewriters, ladies' vanity cases and large cameras have to be included in the baggage weights under the regulations of the International Air Transport Association.

Baggage in excess of your free allowance will be subject to charges per kg of 1 per cent of the first class single fare. If you are travelling with your family or friends, you may group your baggage and thereby benefit from the collective free allowance.

Heavy baggage may be shipped at half the basic (under 45 kg) cargo rates provided it weighs not less than 10 kg.

You may insure your baggage against risk of loss at any Air Rhodesia office at very reasonable rates.

International regulations prohibit or restrict the carriage, by air, of articles such as the following unless properly packed, labelled, and shipped as air cargo:

Compressed gases, corrosives, explosives, munitions, fireworks, inflammable liquids or solids, oxidising materials, poisons, radio-active materials, offensive or irritating substances.

CONDITIONS OF CARRIAGE: The General Conditions of Carriage are available for inspection at any of our airline offices or at the Airport.

Air Rhodesia timetables show the local airport times of aircraft arrivals and departures but are subject to alterations without prior notice. Every effort is made to ensure punctuality of these schedules, but the airline cannot accept responsibility for any delays to, or suspension of, schedules and does not guarantee connections with any other services.
