GENERAL INFORMATION

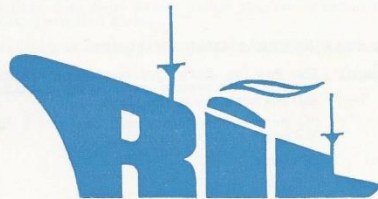

- Return and roundtrip reductions** A reduction of 10% on the sum of the one way first and tourist class fares can be granted provided the voyage commences and terminates in the same area. Such tickets are valid for 12 months as from the date of embarkation on the ship by which the initial voyage is to be made until the date of embarkation for the return trip.
- Children's fares** Fares for children, travelling with either or both parents, are as follows:
- | | |
|--|-----------|
| Infants under 1 year (baby cot provided) | 1/10 fare |
| Children of 1 year and under 3 years (children's bed provided) | 1/4 fare |
| Children of 3 years and under 12 years (berth provided) | 1/2 fare |
| Children of 12 years and over (berth provided) | full fare |
- The applicable fare will be based on the age of the child at the date of departure, even if, in the case of return or roundvoyages, the child would subsequently reach an age requiring a higher fare.
- Acceptance of Children** On cargo vessels with accommodation up to 12 passengers, R.I.L. preferably do not accept children, as these vessels do not carry a doctor or a nurse, and deck space and laundry facilities are limited.
- Payment** The fares given are nett. Local taxes are not included.
- Reservations** In order to avoid disappointment it is recommended to make reservations as early as possible.
- Embarkation** Passengers are requested to contact R.I.L.-agents at port of embarkation as early as possible, so that they can be kept informed of any changes in the schedule that may occur and obtain the latest information about time and place of embarkation.
- Free Baggage Allowance** In addition to the cabin luggage and one deck chair, each adult first and tourist class passenger is entitled to carry 40 cft. of luggage free of charge in the space allotted by the Company for passengers' luggage. For children the free baggage allowance is pro rata of the fare paid, viz. 10%, 25% or 50% of the adult free allowance of 40 cft.
- Excess Baggage** Freight will be charged on luggage in excess of the free baggage allowance in accordance with the "General Cargo" tariff for the section concerned, provided special rates for personal effects are quoted, in which case the latter are charged.
- Medical attendance on board** The Company's passenger vessels ("Ruys", "Tegelberg", "Boissevain", "Tjitjalengka", "Tjiluwah", "Tjiwangi", "Straat Banka" and "Tjinegara") carry a qualified surgeon, a qualified dresser and a nurse or stewardess. Medical assistance by the ship's surgeon is rendered to the passengers on board free of charge, and medicines prescribed are provided free. Patent medicines, special bandages etc. prescribed by the ship's surgeon, if not available in the ship's dispensary, can be purchased by the ship for passenger's account.
- Deck chairs** A number of deck chairs is on board for passenger's free use. Those who wish to bring their own chair on board may do so free of charge, but at their own risk.
- Sockets for electric razors** Sockets for electric razors are fitted in the First Class cabins. All R.I.L. vessels' current being 220 V. D.C. (except on m.v. "Tjiwangi"/"Tjiluwah" Tourist Class where ship's current is 110 V. A.C.)

Interchange and examples The Company is a member of The Interchange Lines and has interchange arrangements with a number of other Steamship Lines and Airlines.
