Foolishly Yours

BE KIND

There are two kinds of passengers, the kind we'd die for and the kind we'd like to outlive — with the innocent look Henry must have had when he passed the word to his stooges that Becket was a pain in his neck. The passenger who pats us on the back and introduces us to his married daughters — he's our pal and we'd break our necks to please him. Suckers for sentiment, we Easterners droop with joy at a kind word; and if the word is followed by the deed, preferably legal tender, we're not going to grumble.

NO MERCY

We have no time for the man who beats his wife, plays a weak no-trump, and overtakes on the left, but he is our buddy compared with the fellow who cancels his passage at the last minute. Where this ghoul is concerned we know no laughter and strong men weep when they see the look on our eyes.

It goes against the grain to exact a penalty on the fare, but if we spare the rod we ruin our passengers. So for everyone's sake please ensure that we get adequate notice of cancellation.

YOUR SHOTS

When a monkey was asked how he got his fleas he pointed to another monkey. Our Governments are the same when it comes to quarantine regulations. Every country is convinced that plague, cholera and yellow fever are the chief exports of the rest of the world. We have a Quarantine Booklet which please use and keep. It is most important that your certificates are not time-barred. Our offices will be very happy to give you the latest information. A wrong certificate or the absence of one can mean nine days' solitary in a quarantine hospital. It has happened to us and it isn't funny.

AIR-INDIA International

GENERAL INFORMATION FOR PASSENGERS

RESERVATIONS

To ensure your passage on the required date, a reservation should be made and fare paid well in advance. At destination or transfer points you are advised to check return or onward reservations at least 72 hours prior to the scheduled departure of your flight.

Definite return or onward bookings can be arranged at all stations if a request is made sufficiently in advance. Return tickets for definite or open date bookings can be purchased in advance at a reduction of 20% on the return portion of the ticket. Return tickets are valid for a period of one year only. Communication expenses incurred in cancelling onward, connecting or return reservations will be collected in full.

PASSPORTS AND VISAS

A. I. I. or its Agents will gladly provide information regarding Passports, Travel Permits or Visas required for your journey, but you must ensure personally that these documents are in order, because the carrier cannot accept responsibility for the consequences of any irregularity. You will have to show your passport or permit during your journey, so please carry it with you; do not pack it!

REFUND

Refund will only be made in the country and currency in which the original payment was made.

DEPARTURES CANNOT BE DELAYED

Passengers reporting direct to the airport in their own transport must arrive there sufficiently in advance of the time of departure to allow for the completion of the necessary formalities. Under no circumstances will a service be delayed for passengers arriving late.

CHILDREN'S FARES

The passenger fare for infants under 2 years of age, not occupying individual seats, is 10% of the adult fare. Only one child under 2 years of age and not occupying a separate seat will be carried at such 10% of the adult fare, provided the adult fare has been paid for the accompanying parent or guardian. A ticket is required for each such child.

- The passenger fare is 50% of the adult fare for:—
- Children who have reached their second birthday but have not yet reached their twelfth birthday.
 - Infants under two years of age occupying individual seats, and
 - Children under two years of age in excess of the one accompanying a passenger paying the adult fare.

BAGGAGE

All baggage including overnight bags, brief cases, typewriters, large cameras, etc., whether or not they are checked, must be weighed and included in the free baggage allowance. The only exceptions are:— a lady's handbag, a pair of binoculars and a reasonable amount of reading matter for the flight. In view of limited cabin space, passengers are requested to carry with them in the cabin only a small handbag.

Excess baggage will be carried only subject to load and space being available and will be charged at the scheduled excess baggage rates. The free baggage allowance per passenger who pays the adult fare or infants and children travelling on half-fare tickets will be:

1st class: 30 kg. except for travel wholly in Europe when it will be only 20 kg.

Tourist class: 20 kg. except for travel wholly in Europe when it will be only 15 kg.

Combined Standard

For each portion of the trip, the free baggage allowance will be that applicable to the class of service for which the fare is paid.

Infants for whom the passage fare is 10% of the applicable adult fare will be granted no free baggage allowance.

UNACCOMPANIED BAGGAGE

For a minimum of 20 kg of personal effects there is a special and advantageous rate which is 50% of the normal cargo rate.

MEALS

Complimentary Meals will be served both for 1st class and Tourist class passengers at conventional meal times. Alcoholic beverages and cigarettes will be supplied free to 1st class passengers and on a payment basis to Tourist class passengers.

STUDENTS' EXCURSION FARE

(i) Students who have reached their 12th but not their 26th birthday will be carried at the one way normal 1st class fare for the round trip journey. If, however, the inward and outward portions of the return journey are not equal, the fare will be 50% of the sum of the normal one way fares for the inward and outward journeys.

(ii) Application should be made by the student's parents in writing, supported by a certificate from the School or College Principal or a competent educational authority, certifying that the student will be making a return air journey and will be travelling between home and school.

(iii) The tickets are valid for a period of one year.

(iv) The normal free baggage allowance and excess baggage charges will apply.

(v) Stopover privileges are not included.
