### GENERAL INFORMATION FOR PASSENGERS

#### RESERVATIONS

To ensure your passage on the required date, a reservation should be made and fare paid well in advance. At destination or transfer points you are advised to check return or onward reservations at least 72 hours prior to the scheduled departure of your flight.

Definite return or onward bookings can be arranged at all stations if a request is made sufficiently in advance. Return tickets for definite or open date bookings can be purchased in advance at a reduction of 20% on the return portion of the ticket. Return tickets are valid for a period of one year only. Communication expenses incurred in cancelling onward, connecting or return reservations will be collected in full.

#### PASSPORTS, VISAS, INSURANCE

A. I. I. or its Agents will gladly provide information regarding Passports, Travel Permits or Visas required for your journey, but you must ensure personally that these documents are in order, because the carrier cannot accept responsibility for the consequences of any irregularity. You will have to show your passport or permit during your journey, so please carry it with you; do not pack it!

Facilities for personal insurance are available on request. Kindly contact our Offices for all information you may require.

#### REFUND

Refund will only be made in the country and currency in which the original payment was made.

Only one child under 2 years of age and not occupying a separate seat will be carried at such 10% of the adult fare, provided the adult fare has been paid for the accompanying passenger. A ticket is required for each such child.

- The passenger fare is 50% of the adult fare for:—
- Children who have reached their second birthday but have not yet reached their twelfth birthday.
  - Infants under two years of age occupying individual seats, and
  - Children under two years of age in excess of the one accompanying a passenger paying the adult fare.
