GENERAL INFORMATION FOR PASSENGERS

RESERVATIONS

To ensure your passage on the required date, a reservation should be made and fare paid well in advance. At destination or transfer points you are advised to check return or onward reservations at least 72 hours prior to the scheduled departure of your flight.

Definite return or onward bookings can be arranged at all stations if a request is made sufficiently in advance. Return tickets for definite or open date bookings can be purchased in advance at a reduction of 20% on the return portion of the ticket. Return tickets are valid for a period of one year only. Communication expenses incurred in cancelling onward, connecting or return reservations will be collected in full.

PASSPORTS, VISAS, INSURANCE

A. I. I. or its Agents will gladly provide information regarding Passports, Travel Permits or Visas required for your journey, but you must ensure personally that these documents are in order, because the carrier cannot accept responsibility for the consequences of any irregularity. You will have to show your passport or permit during your journey, so please carry it with you; do not pack it!

Facilities for personal insurance are available on request. Kindly contact our Offices for all information you may require.

REFUND

Refund will only be made in the country and currency in which the original payment was made.

DEPARTURES CANNOT BE DELAYED

Passengers reporting direct to the airport in their own transport must arrive there sufficiently in advance of the time of departure to allow for the completion of the necessary formalities. Under no circumstances will a service be delayed for passengers arriving late.

CHILDREN'S FARES

The passenger fare for infants under 2 years of age, not occupying individual seats is 10% of the adult fare. Only one child under 2 years of age and not occupying a separate seat will be carried at such 10% of the adult fare, provided the adult fare has been paid for the accompanying passenger. A ticket is required for each such child.

The passenger fare is 50% of the adult fare for:—

- Children who have reached their second birthday but have not yet reached their twelfth birthday.
- Infants under two years of age occupying individual seats, and
- Infants under two years of age in excess of the one accompanying a passenger paying the adult fare.

UNACCOMPANIED CHILDREN

Special arrangements can be made for the carriage of unaccompanied children under the age of 4 years at 7 days prior notice.

PETS

Pets including dogs, cats and birds will be accepted for carriage under certain conditions which may be ascertained from the nearest A.I.I. Office or Travel Agent.

BAGGAGE

All baggage including overnight bags, brief cases, typewriters, large cameras, etc., whether or not they are checked, must be weighed and included in the free baggage allowance. The only exceptions are:— a lady's handbag, an overcoat or a wrap, a foot rug, an umbrella or walking stick, a small camera, a pair of binoculars and a reasonable amount of reading matter for the flight. In view of limited cabin space, passengers are requested to carry with them in the cabin only a small handbag.

Excess baggage will be carried only subject to load and space being available and will be charged at the scheduled excess baggage rates.

The free baggage allowance per passenger who pays the adult fare or infants and children travelling on half-fare tickets will be:

1st class: 30 kg.

Tourist class: 20 kg.

Combined Standard and Tourist class: For each portion of the trip, the free baggage allowance will be that applicable to the class of service for which the fare is paid.

Infants for whom the passage fare is 10% of the applicable adult fare will be granted no free baggage allowance.

UNACCOMPANIED BAGGAGE

For a minimum of 10 kg of personal effects there is a special and advantageous rate which is 50% of the normal cargo rate.

MEALS

Complimentary Meals will be served both for 1st class and Tourist class passengers at conventional meal times. Alcoholic beverages and cigarettes will be supplied free to 1st class passengers and on a payment basis to Tourist class passengers.

Special arrangements for diets, including Vegetarian meals, can be made with prior notice and subject to IATA rules.

STUDENT'S FARE

Full time students who have reached their 12th but not their 26th birthday, will be charged, subject to certain regulations, 75% of the applicable normal tourist or first class round trip fare on the routes of Air-India International.

Application for such reduced fare transportation must be accompanied by a certificate on the prescribed form from the educational authorities.

The tickets are valid for a period of one year. Stop overs en route will not be permitted.

SLUMBERETTES

Slumberettes are fully reclining armchairs with luxuriously cushioned footrests, which at a button's press, turn into beds. Slumberettes are available for First Class passengers on all services at no extra charge.

SLEEPER BERTHS

A limited number of berths can be made available on all our services, by prior arrangement, at a nominal extra charge.
