## PASSENGER INFORMATION

### BOOKINGS

It is advisable to make bookings well in advance through C.A.A. Appointed Sales Agents or C.A.A. Booking Offices. Cable and telegraphic charges in respect of bookings are normally your responsibility.

### RETURN AND ONWARD BOOKINGS

Return journey reservations should be checked as soon as possible after your outward journey. Similarly if you are stopping off at any point, you are requested to check your onward booking as soon as possible.

### STOPOVERS

You may normally break your journey without extra charge, provided it is completed within the period of validity of your ticket and that you notify us when the booking is made. Hotel expenses are, of course, your own responsibility at voluntary stopover points.

### CANCELLING OF BOOKINGS

If you have to cancel your reservation, please let us know as soon as possible and return your ticket. We cannot guarantee any refund when reservations are cancelled at short notice or if you fail to tell us that you cannot take your reservation.

### YOUR TICKET

Your ticket is valid only for the date and flight shown thereon and, unless otherwise stated, the return validity is six months from date of outward travel for Regional Mainline and Internal journeys within Africa. For other journeys the validity is twelve months.

### LOW-COST TRAVEL BY C.A.A.

A return ticket costs 10% less than two single fares. Also you may purchase special return tickets with a 10% rebate for journeys covering circle trips.

EXCURSION fares, FAMILY fares, ASSOCIATED GROUP TRAVEL CONCESSIONS and REDUCTIONS for SCHOLARS and STUDENTS are available in certain circumstances.

### YOUR FARE INCLUDES—

Carriage by air from airport of embarkation to airport of destination, and free baggage allowance, all meals and light refreshments during flight. Hotel accommodation, meals and ground transport are usually provided at nightstays, and on transfer from C.A.A. services to direct connecting services (up to a maximum of 48 hours).

Hotel accommodation and meals will not be provided for interline passengers at connecting points or journeys performed wholly within the area comprising—

- (a) Rhodesia and Nyasaland, the Union of South Africa and South West Africa, Portuguese East Africa and the Belgian Congo, or
- b) East Africa and the Belgian Congo.

Hotel accommodation at most destinations is very limited. However, C.A.A. will, on request, assist wherever possible. Incidental expenses are payable by the passenger.

### AIRPORT FORMALITIES

It is important that you arrive at the Airport Weigh Bin in sufficient time to allow ticket and baggage check-in formalities to be completed at least 30 minutes before the advertised departure time for Regional and Domestic journeys, and 60 minutes for International journeys.

Flights cannot be delayed if you arrive too late for these formalities to be completed by this deadline. Road transport arrangements to the Airport are notified when tickets are purchased.

### CHILDREN AND INFANTS

An infant under two years of age accompanied by an adult and not occupying a separate seat, is charged 10% of the published fare.

Additional infants under two accompanying the same adult, an infant under two occupying a separate seat, and children aged two but under twelve, are charged half-fare. Age is taken as at the date of departure of the initial outward flight.

### PERSONAL BELONGINGS

We request you take special care, especially at stopping places of personal articles and of unchecked baggage, as C.A.A. cannot accept responsibility for them.

### PASSPORTS, PERMITS AND VISAS

Please ensure that your passport is in order and that you have the necessary visas, permits and endorsements for your journey. C.A.A. staff will gladly advise you on any advice. Your passport is a valuable and essential document—remember to carry it with you and not to pack it!

Cameras should be declared to Customs and are not normally accessible on international flights.

### HEALTH REGULATIONS

For travel in Africa, it is advisable to have:

(a) A valid Yellow Fever Certificate. Validity is from 12 days to 6 years from date of primary inoculation. Re-inoculations are valid at once for 6 years.

(b) A valid Smallpox Certificate. Validity or primary vaccination from 8 days to 3 years from date of certification of reaction. For re-vaccination it is immediately effective for 3 years.

Health certificate must be of the approved international form and should be carried in your passport. Please check what is necessary for your journey.

### FREE BAGGAGE ALLOWANCE

Free Baggage Allowance of 20 kilos (44 lbs.) is normally granted on C.A.A. services. In certain circumstances 30 kilos (66 lbs.) allowance is permitted. For details please enquire at time of booking. Baggage on "Beaver" Service should be restricted to suitcases not larger than 30 inches X 18 inches X 9 inches.

Children travelling at half fare receive the full adult allowance, but infants travelling at 10% of the fare have no allowance. A carrycot or portable cradle is, however, included free in the child's own personal weight.

In addition to the free baggage allowance, you may carry personal articles, such as a lady's handbag, overcoat or wrap, binoculars, pocket camera, umbrella or walking stick without charge.

### EXCESS BAGGAGE

Baggage in excess of your free allowance will be subject to charges per kilo of 1% of the first class single fare.

If you are travelling with your family or friends, you may group your baggage and thereby benefit from the collective free allowance.

### UNACCOMPANIED BAGGAGE

Heavy baggage may be shipped at half the basic (under 45 kilos) cargo rates provided that it weighs not less than 10 kilos (22 lbs.).

### VALUABLE BAGGAGE

If you wish, you may declare the value of your baggage when it is being checked in at the airport and if the value is over £36, you may cover this against loss etc., by paying a "Valuation Charge" at the rate of 9d. per £25 value up to a maximum of £1,500.

In the absence of any declaration the value of your baggage will be assessed to be not more than £36.

### CONDITIONS OF CARRIAGE

The General Conditions of Carriage are available for inspection at any C.A.A. Office or Airport.

The Corporation's timetables show the local airport times of aircraft arrivals and departures, but are subject to alteration without prior notice. Every effort is made to ensure punctuality of these schedules, but C.A.A. cannot accept responsibility for any delays to, or suspension of, schedules, and does not guarantee connections with any other services.

### GOVERNMENT REGULATIONS

Please remember that it is your responsibility to comply with Customs, Passport, Currency and Health Regulations of the countries which you intend to visit or transit. C.A.A. will, however, be pleased to advise you on any problems.

This timetable is published by the Publicity Dept. (Sales Division) of Central African Airways Corporation, Salisbury Airport, Southern Rhodesia.
