**CONDITIONS OF CARRIAGE.** The carriage of passengers, baggage and cargo is subject to Hunting-Clan African Airways (Pvt.) Limited's Conditions of Carriage, which may be seen on request at any Hunting-Clan African Airways Office. The notes below are for guidance only.

**RESERVATIONS AND CANCELLATIONS.** Seats should be reserved as far in advance as possible through any Hunting-Clan African Airways Booking Office or Agent. You are requested to advise us as early as possible if you are unable to take up your reservations. Cancellation charges apply when passengers fail to take up seats they have reserved. Return journey reservations should be checked as soon as possible after your outward journey. Similarly, if you are stopping off at any point, you are requested to check your onward booking as soon as possible.

**STOPOVERS.** You may normally break your journey without extra charge, provided it is completed within the period of validity of your ticket, and that you notify us when the booking is made. Hotel expenses are your own responsibility at voluntary stopover points.

**EXCURSION FARES.** Excursion fares, family fares, sportsmen's fares and reductions for scholars and students are available in certain circumstances.

**CHILDREN AND INFANTS.** An infant under two years of age accompanied by an adult and not occupying a separate seat, is charged 10 per cent of the published fare. Additional infants under two accompanying the same adult, an infant under two occupying a separate seat and children between the ages of two and 12 are charged half-fare. Age is taken as at the date of departure of the initial outward flight.

**BAGGAGE.** A free baggage allowance of 20 kgs. (44 lbs.) is normally granted on Hunting-Clan services. There is no free allowance for an infant carried at 10 per cent of the adult fare, but infants' food for consumption en route and an infants' carrying basket is carried free of charge.

**PERSONAL ITEMS.** In addition to the free allowance, the following may be carried free of charge: a lady's handbag, an overcoat or wrap, a footgear, an umbrella or walking stick, a pair of binoculars and a reasonable amount of reading matter for the flight. Briefcases, typewriters, and large cameras have to be included in the baggage weights.

**EXCESS BAGGAGE.** Baggage in excess of the free allowance may be carried subject to space being available at the rates shown in this timetable. If you are travelling with your family or friends, you may group your baggage and thereby benefit from the collective free allowance.

**UNACCOMPANIED BAGGAGE.** Heavy baggage may be shipped at half the normal cargo rates, provided that it weighs not less than 10 kgs.

**INSURANCE.** Facilities are available at all Hunting-Clan African Airways' offices for passengers to obtain personal accident, baggage or cargo insurance.

**GOVERNMENT REGULATIONS.** Please remember that it is your responsibility to comply with customs, passport, currency and health regulations of the countries which you intend to visit or transit. However, Hunting-Clan African Airways will be pleased to advise you on any problem.

**PERSONAL BELONGINGS.** You are requested to take special care, especially at stopping places, of personal articles and of un-checked baggage, as Hunting-Clan African Airways cannot accept responsibility for them.

**PROHIBITED ARTICLES.** Government regulations do not permit the carriage of inflammable or explosive material on an aircraft, and you are asked not to carry in your baggage articles which are easily ignited, such as cigarette lighter fluid, matches, etc. On most Hunting-Clan African Airways aircraft smoking is permitted and you may carry a box of safety matches or a lighter with you for use on the journey.

**DEPARTURES.** You should assemble sufficiently early to allow embarkation formalities to be completed. On your ticket you will find the coach and aircraft departure times and an indication as to how long before these you should be at the Town Terminal or airport. Departure cannot be delayed for passengers who arrive late and Hunting-Clan African Airways cannot accept responsibility in such cases.

**PUNCTUALITY.** Every effort is made to ensure punctuality of our services, but Hunting-Clan African Airways cannot accept responsibility for the consequences of a delay to, or cancellation of, any flight and cannot guarantee connections.

**CHARTERS.** Hunting-Clan African Airways have aircraft available for charter at very reasonable rates for both small and large parties. Enquiries should be addressed to: Charter Supervisor, P. Bag 179H, Salisbury. Telephone 50511.

**AIR CARGO.** Hunting-Clan African Airways specialise in the carriage of air cargo. Special rates for the regular movement of commodities can be quoted. Livestock may be carried on all cargo services. Carriage of air freight within Central Africa is subject to a minimum charge of 7/-.
