AMERICAN'S FAMILY FARE PLAN

is Effective on **4** days a week.

The shaded areas on the calendar are fare-saving days under American's Family Fare Plan. In effect four days a week, from 12:01 Monday afternoon until 12:01 Thursday afternoon, you can take your family with you at only two-thirds the first-class fare. Children under 12 fly at only one-half the First-class fare.

1959	NOVEMBER	1959				
Sun	Mon	Tue	Wed	Thu	Fri	Sat
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21

Quick Reference Index (Figures shown refer to TABLE NUMBERS only)

Table with columns for 'Between' and various cities (Boston, Buffalo, Chicago, Cincinnati, Dallas, Detroit, Ft. Worth, Los Angeles, Memphis, Nashville, New York/Newark, Philadelphia, Phoenix, Rochester, N.Y., St. Louis, San Diego, San Francisco, Tucson, Tulsa, Washington, D.C.).

Quick Reference Index (continued)

Table with columns for 'Between' and various cities (Boston, Buffalo, Chicago, Cincinnati, Dallas, Detroit, Ft. Worth, Los Angeles, Memphis, Nashville, New York/Newark, Philadelphia, Phoenix, Rochester, N.Y., St. Louis, San Diego, San Francisco, Tucson, Tulsa, Washington, D.C.).

HOW TO USE THE TIMETABLE

TABLES—Four types of tables are contained in this timetable. (a) Express tables showing nonstop and minimum stop First Class and Aircoach services, (b) Service tables which are designed to show the relationship of intermediate cities, (c) International tables showing service to points in Canada and Mexico, and (d) an Interchange table showing through service between points on American Airlines and points on Continental Air Lines, Delta Airlines and National Airlines.

MEAL SYMBOLS—On all flights meal symbols indicate type of meals and the point, enroute, out of or before which the meals are served.

TIMES—For your convenience Arrivals and Departures are shown in LOCAL TIME as observed in each city whether Daylight or Standard. Light face type (10.40) denotes AM times. Bold face type (10.40) denotes PM times.

INDEX—The index on the previous page is designed to assist you in locating your desired service more quickly and easily.

TABLE OF CONTENTS—The table of contents is designed to assist you in locating the various sections contained in this timetable.

HOW TO USE THE INDEX

The index consists of two parts. A "Quick Reference Index" and an "Index of Cities Served."

To use the "Quick Reference Index," locate your origin and destination cities in the vertical and horizontal lists. Find the table number(s) between the pair of cities to locate the desired service.

If any pair of cities do not appear in the "Quick Reference Index," they may then be found in the "Supplementary Index of Cities Served." Common table numbers found in this listing will generally indicate the location of the desired

service. Should no table numbers coincide, reference to the System Map on page 47 will facilitate the location of a common junction point between the desired cities. Turn to the "Supplementary Index of Cities Served" and use the tables opposite your originating and terminating cities, in conjunction with the map, to determine those tables containing a common city which will provide the junction point between the tables showing your origin and destination.

Should your origin and destination cities not be found in either Index, consult American Airlines for further assistance.

Supplementary Index of Cities Served

(Figures shown refer to TABLE NUMBERS only)

Table with columns for 'Table No.' and various cities (Akron, Albany, Atlanta, Baltimore, Birmingham, Bisbee, Bridgeport, Canton, Charlotte, W. Va., Charlotte, W. Va., Cleveland, Columbus, Dayton, Douglas, Elkins, El Paso, Ft. Worth, Hartford, Honolulu, Houston, Indianapolis, Joplin, Knoxville, Los Angeles, Louisville, Memphis, Mexico City, Miami, Midland, Milwaukee, Nashville, New York/Newark, New Haven, New Orleans, Oakland, Odessa, Oklahoma City, Parkersburg, Peoria, Philadelphia, Phoenix, Pittsburgh, Providence, Richmond, Roanoke, Rochester, N.Y., St. Louis, San Antonio, San Diego, San Francisco, Scranton, Springfield, Ill., Springfield, Mass., Springfield, Mo.).

Table of Contents

Table with columns for 'Pages' and 'Pages' listing various sections like Airfreight services, Airports, location of, Ground transportation-fares, Index, location, Index, use of, Officers, Passenger fares, Passenger information, Reference marks, explanation of, Reservations-telephones, System map, Tables of services, Passenger, Ticket offices, location of, Timetable, use of.

FOR YOUR CONVENIENCE, Arrivals and Departures are shown in LOCAL TIME as observed in each city.
