TAA Service Information

FOR PASSENGERS

RESERVATIONS:

You can make your reservations by 'phoning or calling at any TAA office or recognised Travel Agent. Reservations should be made as far in advance as possible to avoid disappointment and to enable you to complete arrangements for departure at your leisure. Upon arrival at destination or transfer point, you should contact our local office or agent immediately to ensure that return or onward reservations have been confirmed and are in order. Should it be necessary for you to cancel or postpone travel, please advise us at the earliest opportunity and tender your ticket for re-endorsement or refund.

AVIS RENT-A-CAR:

Your Hostess can normally arrange for a hire car to meet you, or an Avis Rent-a-Car to drive yourself, at your destination. You can use the Avis Car as your own for as long as you need it.

ACCOMMODATION AND ONWARD BOOKINGS:

Why not leave this to TAA? We will help plan your itinerary and make all travel and accommodation bookings anywhere in Australia, Papua, New Guinea or overseas.

YOUR TICKET:

You may purchase your ticket by cash or credit or through TAA's "Fly-by-Lay-By" Plan. You may pay for your travel right through to your final destination and return. We suggest you do, as through fares are in most cases cheaper than if you pay for a new ticket at each point along the route at which you break your journey. Whilst retaining the advantage of a through fare, you may break your journey at any point along the route, provided you advise us of your intentions when booking. The validity of your ticket is twelve months and all travel covered by your ticket should be completed within this period.

Reservations may be made for the complete itinerary, but if you desire, onward and return portions may be left "Open dated" to be used at any time within twelve months.

CHILDREN'S FARES:

Children under 15 years of age travel at half fare and children under 3 years are carried free providing they travel in the care of an adult and do not occupy a seat, excepting that between Sukarnapura and Lae, Madang or Wewak, children under 12 travel at half fare and children under 2 are carried at 10% of the adult fare, (limited to one child with each accompanying adult).

STUDENTS' CONCESSION:

Full-time day Students, 15 years of age and under 19 years of age who are enrolled in a full-time course for a school year at an educational establishment and are not in receipt of any remuneration, half the published fare. Full-time day students over 18 years of age and under 26 who are enrolled in a full-time course for a school year at a University, Technical College, Theological College or Theological Seminary and who are travelling from home to University, College, or Seminary of enrollment or vice versa, and indigenous theological students of Papua/New Guinea though over 25 years. 75% of the published fare. This concession **does not** apply between Sukarnapura and Lae, Sukarnapura and Wewak or Sukarnapura and Madang.

CREDIT FACILITIES:

TAA operates charge accounts for passenger and cargo traffic. For full details, please contact your nearest TAA office.

GROUND TRANSPORT:

TAA provides free transport between city terminals and airports for passengers and their baggage in Papua and New Guinea. Similar facilities are available in Australia at nominal rates.

PASSPORTS AND HEALTH CERTIFICATES:

Passengers from Australia must be in possession of a permit to enter the Territory of Papua–New Guinea. Exit permits are required by non-British subjects leaving the Territory; all persons who will be returning to Papua–New Guinea will need re-entry permits.

Passengers to or from Sukarnapura or the British Solomon Islands in most cases require passports, visas and health documents such as certificates of vaccination against smallpox. We shall be glad to advise you fully of the requirements for your trip and assist in completing these formalities. Passports, etc., should be kept readily available so that they can be produced when required.

BAGGAGE

Each passenger is entitled to free baggage allowances in accordance with the following scale:—

Passengers who are travelling economy class between Australia and Papua or New Guinea, or who are travelling wholly within or between Papua and New Guinea, or wholly within the British Solomons Islands. ... ... 35 lbs.

Passengers travelling first class between Australia and Papua or New Guinea ... ... 44 lbs.

Passengers travelling into or out of the British Solomon Islands Protectorate ... ... 44 lbs.
