Bermuda's invigorating climate, air-conditioned by gentle breezes and the surrounding sea, invites you to glorious fun, romance and relaxation.

A PARADISE FOR VACATIONERS

Whatever your desires, they'll find an outlet here. Soft, coral beaches... Five world-famous golf courses ... Championship tennis on superb courts... Swimming, sailing, horseback riding, angling, cycling or just plain lazing, loafing and shopping... An unforgettable vacation.

TO NASSAU

GAY, GLAMOROUS, NEARBY

British Nassau, capital city of the Bahamas, is a pleasure-filled beautiful island paradise, where leisure reigns. 'Twas here that the Old World met the New... Here the great Discoverer Columbus made his first exciting landfall. In Nassau, you, too, will discover a veritable New World — rich in Old-World charm, courtesy and tradition.

There is nothing quite like Nassau in the Bahamas. Here life is different, the breeze-swept climate glorious. And fabulous beaches, world-renowned for their dramatic beauty, are pink and soft as talcum, while the crystal-clear sea calls you to join your fellow sun-worshippers relaxing under rainbow-gay umbrellas or water skiing, angling, sailing, and skin diving. The mean annual temperature is 71°.
