JUGOSLOVENSKI AEROTRANSPORT.

OPŠTA OBAVEŠTENJA

U ovom redu letenja mogao je biti objavljen samo kratak pregled nekih glavnih propisa u vezi sa prevozom putnika. Detaljna obaveštenja u vezi sa propisima, uslovima i tarifama, koja ovde nisu navedena, mogu se dobiti u svakoj poslovnici JAT-a ili putničkoj agenciji.

RED LETENJA

JAT ne garantuje vreme polaska i dolaska aviona, jer je isto približno određeno. Red letenja podleže izmenama bez prethodnog obaveštenja i JAT ne snosi odgovornost za zakasneljenja, izgubljene veze i storniranje letova.

KARTA

Karta glasi na ime i neprenosiva je; osim toga ona se izdaje tek po naplati odgovarajuće tarife. Karta važi za prevoz od aerodroma mesta polaska do aerodroma mesta određenja, na liniji, i za klasu koja je naznačena na samoj karti, i važi godinu dana od datuma početka leta. Povratna tarifa je za 10% niža od duple normalne tarife u jednom pravcu; pod određenim uslovima mogu se koristiti i različite specijalne tarife sa znatnim popustom.

UNIVERSAL AIR TRAVEL PLAN

Na osnovu svake Air Travel Card karte podnesene bilo kojoj poslovnici JAT-a izdaje se prevozna dokumenta.

DECA

Dete ispod dve godine starosti koje putuje na međunarodnim linijama ili ispod četiri na unutrašnjim, praćeno od strane jedne odrasle osobe, i koje ne zauzima posebno sedišta, plaća 10% od pune tarife. Ukoliko putuju dva deteta ili više dece ispod dve odnosno četiri godine starosti, koja zauzimaju posebna sedišta, kao i deca između dve odnosno četiri i dvanaest godina, plaćaju polovinu tarife. Deca koja plaćaju 10% od pune tarife nemaju pravo na besplatan prtljag.

PRTLJAG

Besplatan prtljag na koji ima pravo svaki odraslo putnik ili dete koje plaća polovinu tarife iznosi 20 kg. na međunarodnim linijama turističke klase, a 15 kg. na domaćim linijama JAT-a. Putnici koji poseduju kartu prve klase imaju pravo na 30 kg. besplatnog prtljaga. Za svaki kilogram prtljaga preko određene težine plaća se 1% od normalne tarife prve klase.

LICNE STVARI

Pored besplatnog prtljaga, prevoz sledećih stvari takođe je besplatan: ručna torba, kufur ili ogrtač, putno čebe, kišobran ili štap, foto aparat i digled, kao i umerena količina lekture.

ZABRANJENI ARTIKLI

Putnici se upozoravaju da u svom prtljagu ne nose vatreno oružje, eksplozive, zapaljive tečnosti ili bilo koje druge artikle koji mogu da dovedu u opasnost avion, lica ili imovinu.

REZERVACIJE I STORNIRANJE MESTA

Kupon za let važi za prevoz samo ako je izvršena propisna rezervacija mesta za određen datum i let. Mesta treba rezervirati što je moguće ranije preko bilo koje poslovnice JAT-a ili putničke agencije. Troškove rezervacije obično snose sami putnici. Ukoliko putnik mora da stornira ili odloži svoje putovanje, preporučljivo je da to učini najkasnije 48 časova pre polaska aviona na međunarodnim linijama, odnosno 24 časa na unutrašnjim linijama. Putnici koji propuste da storniraju svoje rezervacije u gore pomenutom roku plaćaju 25% od pune tarife zbog nedolaska na odlet.

VERE ME DOLASKA NA ODELET

Putnici koji dolaze direktno na aerodrom treba da se jave odeljenju za putnike najkasnije 30 minuta pre dolaska aviona na međunarodnim linijama, odnosno 15 minuta na unutrašnjim linijama, kako bi se sve formalnosti mogle blagovremeno obaviti. JAT zadržava pravo da raspolaže sedištima onih putnika koji zakasne kao i da im naplati 25% zbog nedolaska na odlet.

PREKID PUTOVANJA

Dozvoljava se prekid putovanja u svakom mestu redovnog letanja, ako je unapred utvrđen sa JAT-om i naznačen na karti. Ovakav prekid ne isključuje korišćenje direktne tarife.

ZEMALJSKI PREGOZ

Zemaljski prevoz između krajnje stanice u gradu i aerodroma je obezbeđen. Cena ovog prevoza plaća se na licu mesta u lokalnoj valuti. Putnici koji putuju na međunarodnim ili domaćim linijama JAT-a plaćaju autobuski prevoz prema postojećim tarifama.

SERVIS

Putnici koji putuju avionima JAT-a biće besplatno usluženi na međunarodnim linijama kafom, čajem ili voćnim napitkom, kao i obrokom završnim od dužine leta. Alkoholina pića i cigarete se mogu dobiti u avionu samo uz naplatu.

DOUMENTA

Putnici moraju posedovati propisne pasoše, vize, zdravstvena uverenja i druga dokumenta koja zahtevaju vlasti zemlje određenja ili tranzita. Na zahtev putnika sve poslovnice JAT-a rado će dati svo obaveštenja i pomoć potrebnu za dobijanje putničkih dokumenata u vezi određenog putovanja.

VALUTA

Poslo vlasti većine zemalja ograničavaju količine gotovog novca koji se unosi odnosno iznosi iz njihovih zemalja, preporučuje se putnicima da sa sobom nose manju sumu gotovog novca (dovoljnu za pokrivanje sitnih troškova). Takođe se savetuje putnicima da u valutnim propisima dotične zemlje konsultuju svaku poslovnici JAT-a ili putničku agenciju.

ROBA

Na svim redovnim linijama JAT-a prevozi se i roba. Za sva potrebna obaveštenja u vezi robnih tarifa, carinskih propisa i prijema pošiljaka stoje na raspoloženju robna odeljenja JAT-a.

GENERAL INFORMATION

Only a short summary of some of the principal regulations with regard to the carriage of passengers can be published in this booklet. Further information about the regulations, conditions and fares not mentioned in the booklet can be obtained from any JAT Branch Office or Travel Agency.

TIMETABLE

Times of departure and arrival are approximate and not guaranteed. Timetable is subject to change without notice and JAT assumes no responsibility for delays, missed connections or cancellations of flights.

TICKETS

A ticket is only issued to the person and is not transferable; furthermore it can only be issued after collection of applicable fare. The ticket is good for carriage from the airport of departure to the airport of destination along the route and for the class indicated therein and is valid for one year from the date of commencement of flight. Return tickets cost 10% less than two single fares; various special fares with considerable rebate are also available under the respective provisions.

UNIVERSAL AIR TRAVEL PLAN

JAT will be pleased to honour every Air Travel Card presented by any of its Branch Offices.

CHILDREN

One child under two years of age on international or under four on domestic services, accompanied by an adult, and not occupying a separate seat is carried at 10% of the full fare. Additional children under two or four, respectively, occupying a separate seat, and children between two or four, respectively, and twelve are carried at half of the full fare. All children paying 10% of the full fare are not entitled to free baggage allowance.

BAGGAGE

The free baggage allowance which applies to each adult passenger or child paying half of the full fare is 20 kgs. on international tourist class services, and 15 kgs. on JAT domestic services. Passengers holding standard class ticket are entitled to 30 kgs. of free baggage allowance. Baggage in excess of the respective free allowance is charged for at 1% of the normal first class fare.

PERSONAL ITEMS

In addition to the free allowance, the following may be carried free of charge: a lady's handbag, an overcoat or wrap, a foot rug, an umbrella or walking stick, infant's carrying basket, a small camera and a pair of binoculars, and reasonable quantity of reading matter.

PROHIBITED ARTICLES

Passengers are reminded not to carry in their baggage firearms, explosives, flammable liquids or any other articles which are likely to endanger the aircraft, persons or property.

RESERVATIONS AND CANCELLATIONS

A flight-coupon is acceptable for carriage only when the proper reservation of seat has been made for a fixed date

and flight. Seats should be reserved as far in advance as possible through any JAT Booking Office or Travel Agency. Reservation expenses are normally assumed by passengers. If a passenger has to cancel or defer his reservation, he is advised to make it not later than 48 hours before the scheduled departure on international services, or 24 hours on domestic services. No-Show Charges amounting 25% of the full fare will be assessed to all passengers on JAT services who fail to cancel their seats up to the above time limit.

TIME OF REPORTING AT THE AIRPORT

Passengers arriving directly at the airport should report to the passage department at least 30 minutes before the scheduled departure of the aircraft on international services, or 15 minutes on domestic services, in order that all formalities might be completed in time. JAT reserves the right to dispose of the seats of those passengers who arrive late at the airport and to assess them No Show Charges.

BREAK OF JOURNEY

Break of journey may normally be made at any scheduled stopping place, when arranged with JAT in advance and specified on the ticket, without losing the benefit of the through fare.

GROUND TRANSPORTATION

Ground transportation between town terminals and airports is normally available. The cost of this conveyance is to be paid on the spot in local currency. Passengers travelling on JAT international and domestic services have to pay for bus transportation according to the published fares.

MEALS AND REFRESHMENTS

Passengers travelling on JAT services are served on board free of charge, on international services with coffee, tea or fruit beverages and complimentary meals dependent on duration of flight. Spirits and cigarettes can be obtained on board with payment.

DOCUMENTS

Passengers must be in possession of proper passports, visas, health certificates and other documents required by the government of the country or destination or transit. All JAT Offices will, at request of passengers, gladly supply all information and assistance necessary for obtaining of travel documents in connection with their journeys.

CURRENCY

As most authorities restrict the cash amount of currency to be taken into and out of their countries, passengers are recommended to carry only a small amount in cash (sufficient to cover immediate expenses). Passengers are advised to consult any JAT Branch Office or Travel Agency about currency regulations of the respective countries.

CARGO

Cargo is accepted for carriage on all JAT scheduled services. JAT Cargo offices are at your disposal for all necessary information regarding cargo rates, customs regulations and acceptance of shipments.

JAT je aktivan član Udruženja za međunarodni vazdušni prevoz (IATA).
