## OPŠTA OBAVEŠTENJA

U ovom redu letenja mogao je biti objavljen samo kratak pregled nekih glavnih propisa u vezi sa prevozom putnika. Detaljna obaveštenja u vezi sa propisima, uslovima i tarifama, koja ovdje nisu navedena, mogu se dobiti u svakoj poslovnicu JAT-a ili putničkoj agenciji.

### RED LETENJA

Povratna tarifa je za 10% niža od duple normalne tarife u jednom pravcu, pod određenim uslovima mogu se koristiti i različite specialne tarife sa znatnim popustom.

### UNIVERSAL AIR TRAVEL PLAN

Putnici koji poseduju kartu prve klase imaju pravo na 30 kg. besplatnog prtljaga. Za svaki kilogram prtljaga preko određene težine plaća se 1% od normalne tarife prve klase.

### LICNE STVARI

Pored besplatnog prtljaga, prevoz sledećih stvari takođe je besplatan: ručna torba, kaput ili ogrtač, putno čebe, kifobran ili štap, foto aparat i dohled, kao i umerena količina lekture.

### PREKID PUTOVANJA

Dozvoljava se prekid putovanja u svakom mestu redovnog sletanja, ako je unapred utvrđen sa JAT-om i naznačen na karti. Ovakav prekid ne isključuje korišćenje direktne tarife.

### ZEMALJSKI PREVOZ

Zemaljski prevoz između krajnje stanice u gradu i aerodroma je obezbeđen. Cena ovog prevoza plaća se na licu mesta u lokalnoj valuti. Putnici koji putuju na međunarodnim ili domaćim linijama JAT-a plaćaju autobuski prevoz prema postojećim tarifama.

### SERVIS

Putnici koji putuju avionima JAT-a biće besplatno usluženi na međunarodnim linijama kafom, čajem ili voćnim napitkom, kao i obrokom zavisnim od dužine leta. Alkohorna pića i cigarete se mogu dobiti u avionu samo uz naplatu.

### DOKUMENTA

Putnici moraju posedovati propisane pasoše, vize zdravstvena uverenja i druga dokumenta koja zahtevaju vlasti zemlje opredeljena ili tranzita. Na zahtev putnika sve poslovnicu JAT-a rado će dati sva obaveštenja i pomoć potrebnu za dobijanje putničkih dokumenata u vezi određenog putovanja.

### VALUTA

Pošto vlasti većine zemalja ograničavaju količine gotovog novca koji se unosi odnosno iznosi iz njihovih zemalja, preporučuje se putnicima da sa robom nose manju sumu gotovog novca (dovoljnu za pokrivenje sitnih troškova). Takođe se savetuje putnicima da o valutenim propisima dotične zemlje konsultuju svaku poslovnicu JAT-a ili putničku agenciju.

### ROBA

Na svim redovnim linijama JAT-a prevozi se i roba. Za sva potrebna obaveštenja u vezi robnih tarifa, carinskih propisa i prijema pošiljaka stoje na raspoloženju robna odeljenja JAT-a.

## GENERAL INFORMATION

Only a short summary of some of the principal regulations with regard to the carriage of passengers can be published in this booklet. Further information about the regulations, conditions and fares not mentioned in the booklet can be obtained from any JAT Branch Office or Travel Agency.

### TIMETABLE

Times of departure and arrival are approximate and not guaranteed. Timetable is subject to change without notice and JAT assumes no responsibility for delays, missed connections or cancellations of flights.

### TICKETS

A ticket is only issued to the person and is not transferable; furthermore it can only be issued after collection of applicable fare. The ticket is good for carriage from the airport of departure to the airport of destination along the route and the class indicated therein and is valid one year from the date of commencement of flight, i. e., from the date of the issuance of the ticket. Return tickets cost 10% less than two single fares; various special fares with considerable rebate are also available under the respective provisions.

### UNIVERSAL AIR TRAVEL PLAN

JAT will be pleased to honour every Air Travel Card presented by any of its Branch Offices.

### CHILDREN

One child under two years of age on international, or under four on domestic services, accompanied by an adult, and not occupying a separate seat, is carried at 10% of the full fare. Additional children under two or four, respectively occupying a separate seat, and children between two or four, respectively, and twelve, are carried at half of the full fare. All children paying 10% of the full fare are not entitled to free baggage allowance.

### BAGGAGE

The free baggage allowance which applies to each adult passenger or child paying half of the fare, is 20 kgs. on international tourist class services, and 15 kgs. on JAT domestic services. Passengers holding standard class ticket are entitled to 30 kgs. of free baggage allowance. Baggage in excess of the respective free allowance is charged for at 1% of the normal first class fare.

### PERSONAL ITEMS

In addition to the free allowance, the following may be carried free of charge: a lady's handbag, an overcoat or wrap, a foot rug, an umbrella or walking stick, infant's carrying basket, a small camera and a pair of binoculars, and reasonable quantity of reading matter.

### PROHIBITED ARTICLES

Passengers are reminded not to carry in their baggage firearms, explosives, flammable liquids or any other articles which are likely to endanger the aircraft, persons or property.

### RESERVATIONS AND CANCELLATIONS

A flight-coupon is acceptable for carriage only when the proper reservation of seat has been made for a fixed date and flight. Seats should be

reserved as far in advance as possible through any JAT Booking Office or Travel Agency. Reservation expenses are normally assumed by passengers. If a passenger has to cancel or defer his reservation, he is advised to make it not later than 48 hours before the scheduled departure on international services, or 24 hours on domestic services. No-Show Charges amounting 25% of the full fare will be assessed to all passengers on JAT services who fail to cancel their seats up to the above time limit.

### TIME OF REPORTING AT THE AIRPORT

Passengers arriving directly at the airport should report to the passage department at least 30 minutes before the scheduled departure of the aircraft on international services, or 15 minutes on domestic services, in order that all formalities might be completed in time. JAT reserves the right to dispose of the seats of those passengers who arrive late at the airport and to assess them No-Show Charges.

### BREAK OF JOURNEY

Break of journey may normally be made at any scheduled stopping place, when arranged with JAT in advance and specified on the ticket, without losing the benefit of the through fare.

### GROUND TRANSPORTATION

Ground transportation between town terminals and airports is normally available. The cost of this conveyance is to be paid on the spot in local currency. Passengers travelling on JAT international and domestic services have to pay bus transportation according to the published fares.

### MEALS AND REFRESHMENTS

Passengers travelling on JAT services are served on board free of charge, on international services with coffee, tea or fruit beverages and complementary meals dependent on duration of flight. Spirits and cigarettes can be obtained on board with payment.

### DOCUMENTS

Passengers must be in possession of proper passports, visas, health certificates and other documents required by the government of the country of destination or transit. All JAT Offices will, at request of passengers, gladly supply all information and assistance necessary for obtaining of travel documents in connection with their journeys.

### CURRENCY

As most authorities restrict the cash amount of currency to be taken into and out of their countries, passengers are recommended to carry only a small amount in cash (sufficient to cover immediate expenses). Passengers are advised to consult any JAT Branch Office or Travel Agency about currency regulations of the respective countries.

### CARGO

Cargo is accepted for carriage on all JAT scheduled services. JAT Cargo offices are at your disposal for all necessary information regarding cargo rates, custom regulations and acceptance of shipments.

JAT je aktivan član Udruženja za međunarodni vazdušni prevoz (IATA)
