GENERAL INFORMATION

TIME TABLES

May be cancelled or altered without previous notice. Local times used only.

BOOKING

can be effected at Air Traffic Companies listed on page 4 and at all principal Travel Agencies. The cost of telegrams or trunk calls in connection with booking will be charged to the passenger.

INTERNATIONAL LINES

When booking, passengers must be in possession of all documents required by the laws of the countries from and to which they intend to fly (e. g. permit to pay the fare in foreign currency).

CANCELLATION OF BOOKING

If the cancellation is effected more than 24 hours before the scheduled departure time only the cost in connection with cancellation (telegrams, trunk calls etc.) will be charged to the passenger. If cancellation is effected less than 24 hours before the scheduled departure time no refund will be granted unless the service was not fully booked or the seat is resold.

REFUND FOR TICKETS WITH OPEN DATE

will be granted only if application is made not later than 30 days after the expiration date of the ticket or exchange voucher concerned.

PASSPORTS, VISAS

Passengers should be correctly equipped with the necessary passports, visas, and other documents. The Air Traffic Company is not responsible for the accuracy of information supplied to the passenger at his own request. In case of lack or incompleteness of documents no refund will be granted.

RATES AND FARES

of this time table are valid for lines stated therein only.

GENERAL INFORMATION

RETURN TICKETS

A 10% reduction is granted on the round trip fare on European lines; these tickets are valid for 60 days from the day of departure.

CHILDREN

under two years not occupying a separate seat are carried at 10% of the adult fare; children under two years occupying a separate seat and children from 2 to 12 years of age inclusive are carried at 50% of the adult fare.

BAGGAGE

Baggage up to 20 kg on European lines and up to 30 kg on transatlantic and trunk intercontinental lines will be carried free. Children traveling at half-fare are granted the same free baggage allowance as adults.

The Air Traffic Company guarantees to transport the above mentioned free baggage. Baggage in excess of these amounts will be accepted only by special agreement and will be charged as excess baggage at rates shown in this time table. In addition to the free allowances the following articles may be carried free: ladies handbags, overcoats, rugs and wraps, umbrellas and walkingsticks, small pocket cameras and binoculars. Briefcases of reasonable weight, typewriters and heavy cameras will be included in baggage weight. For intercontinental services please note that baggage will be stowed away in the freight hold and passengers are therefore requested to put articles required during the journey into a small suitcase, which may be taken into the cabin.

BAGGAGE RECEIPT

Baggage can be claimed only upon surrender of the baggage receipt.

CAMERAS

Most countries forbid photographs being taken from the air. Cameras must be locked away in baggage, or handed to one of the Company's officials before take off.

SEAT BELTS

The seat belts fixed to the sides of chairs must be used during each take off and landing.

CZECHOSLOVAK AIR LINES

REFRESHMENT AND MEALS

GENERAL CONDITIONS

OF CARRIAGE

In accordance with Article 13, § 2 of the General Conditions of Carriage of Passengers based on the Warsaw Convention of October 12th 1929, the carrying Company is entitled to refuse to conclude a contract for carriage without offering any reason.

The carrying Company does not accept any liability for not commencing or completing transportation of passengers. The Company will not be responsible for consequences arising from errors in the printed time table.
