## GENERAL PASSENGER INFORMATION

### TRAVEL DOCUMENTS

Your travel agent or the local PAL representative will gladly assist you in completing your travel documents such as passport, visa, certificate of inoculation, etc.

### RESERVATIONS

Reservations may be made through your travel agent or directly with Philippine Air Lines or its General Sales Agents. It is advisable to make reservations well in advance of the intended date of departure.

### RECONFIRMATION

To help other travellers, passengers are requested to reconfirm return or onward reservations on arrival at destination or stopover points. Reconfirmation may be made through the nearest PAL office or agency. Failure to reconfirm return or continuing reservations may mean their cancellation for the benefit of other passengers.

### FARES

Fares apply to journeys from the airport of departure to the airport of destination. Generally, a 10% discount on twice the one-way fare is granted on round trips and circle trips. Children of 2 and under 12 years of age pay half the applicable adult fare. For other discounted fares, please consult your travel agent or the PAL representative.

### STOPOVER

You may stop over at any scheduled stop of your flight provided that arrangements for such stopover have been made prior to your departure from the airport preceding the stopover point.

### BAGGAGE

All baggage including night bags, briefcases, typewriters, large cameras and similar articles, whether to be carried inside the cabin or in the baggage compartment, must be weighed for the safe operation of the aircraft.

### FREE BAGGAGE ALLOWANCE

Your ticket entitles you to free baggage allowance as follows:

Economy Class — 20 kilograms or 44 lbs.

First Class — 30 kilograms or 66 lbs.

Children paying half fare are entitled to the same free baggage allowance as adults. Infants travelling on 10% of the adult fare are not entitled to any free baggage allowance.

Personal articles carried by the passenger such as a lady's handbag, an overcoat, an umbrella or walking stick, a small camera, a pair of binoculars, infant's food for consumption in flight and infant's carrying basket and a reasonable amount of reading matter for the flight will not be weighed as "baggage" and may be carried free in addition to the free baggage allowance.

### EXCESS BAGGAGE

Baggage in excess of the free baggage allowance may be carried as excess baggage at a charge of 1% of the normal first class one-way propeller fare per kilogram (2.2 lbs.) or as unaccompanied baggage at reduced cargo rates.

### CHECK-IN FOR FLIGHTS

To help the airline maintain its schedules, passengers are required to be at the airport check-in counter not later than one hour prior to scheduled departure time as indicated or advised.

### MEALS

All meals and refreshments served on board flights and at intermediate points are free of charge. Alcoholic beverages are served free of charge to first class passengers and at reasonable prices to economy class passengers.

### GRATUITIES

PAL personnel are not allowed to accept gratuities. Your appreciation of our services, or comments thereon are going to be more valued.
