CARGO CARRIED ON ALL FLIGHTS

Bookings
It is advisable to make all your booking requests and Ticket purchases well in advance through Travel Agents or any Airline Booking Offices. Cables and telegraphic charges in respect of bookings are normally your responsibility. Certain special fares require finalization of reservations and ticketing far in advance.

Return and onward bookings
Return journey reservations should be checked and reconfirmed as soon as possible after your outward journey. Similarly, if you are stopping off at any point you are requested to check and reconfirm your onward bookings as soon as possible. Please, always state your contact address. Always have your finalized reservation inserted on your ticket at your earliest convenience.

Stopovers
Except where specially limited by your fare and if consistent with carrier's traffic rights, you may break your journey at any point along your route, if you make your request sufficiently in advance. Normally, such stopovers do not involve any extra charge, provided your journey is completed within the period of validity of your ticket. Hotel expenses are, of course, your own responsibility at voluntary stopover points.

Cancellation of bookings
If you have to cancel your reservations, please let us know as soon as possible and return your ticket. We cannot guarantee any refund when reservations are cancelled at short notice or if you fail to inform us that you cannot take up your reservation.

Your ticket
Your ticket is valid only for the date and flight shown thereon and, unless otherwise stated, the total validity is one year from commencement of travel. Special fares usually have reduced validity.

Low-cost travel
EXCURSION fares, AFFINITY GROUP TRAVEL CONCESSIONS REDUCTIONS for STUDENTS, etc., are available in certain circumstances. The airline ticketing office or your Travel Agent will gladly assist you with further information.

Your fare includes
Carriage by air from airport of embarkation to airport of destination and free baggage allowance, as applicable all meals and light refreshments during flight. Hotel accommodation, meals and ground transport at transit nightstops, and on transfer to direct connecting services, are provided only if permitted by, and within the limits of, the regulations of the carrier concerned, up to a maximum of 24 hours as long as no voluntary stopover is involved. Certain special fares are governed by more restrictive rules. No lay-over expenses are absorbed in case of inclusive tours.
Hotel accommodation and meals will not be provided for interline passengers at connection points for journeys performed wholly within the area comprising:
(a) Rhodesia, Malawi and Zambia, the Republic of South Africa and South West Africa, Portuguese East Africa, and the Republic of the Congo or
(b) East Africa and the Republic of the Congo.
Hotel accommodation at many destinations is very limited. However, Zambia Airways, on request, assist wherever possible incidental expenses are payable by the passenger. Though fares are subject to alteration without prior notice, the price of your ticket normally does not change after commencement of your journey, if no change of routing/class occurs and if your ticket was issued at the correct fare.

Airport formalities
It is important that you arrive at the Airport Weigh Bay in sufficient time to allow ticket and baggage check-in formalities to be completed. It is recommended that passengers report at the Airport at least 45 minutes before the advertised departure time for Domestic journeys, and at least 90 minutes for international journeys.
The time shown on the flight coupon is the departure time of the aircraft. The check-in time shown is the time after which passengers cannot be accepted for travel. In your own interests you should plan to arrive in the town terminal or airport in good time as this will help to ensure that your aircraft departs on schedule. You are also advised to check local road conditions to avoid possible delays for this reason. Flights cannot be held for passengers arriving late and no responsibility can be accepted in such cases. Information on road transport arrangements to the Airport can be obtained when tickets are purchased or when you make your booking. The cost of surface transportation usually is to be paid locally by you: please keep local cash available for this, and for any airport taxes where applicable.

Children and infants
An infant under two years of age accompanied by an adult and not occupying a separate seat is charged 10% of the published fare.
Additional infants under two accompanying the same adult, and infant under two occuping a separate seat, and children aged two but under twelve, are charged half-fare. Age is taken as at the date of departure of the initial outward flight.

Unaccompanied children
Children may travel unaccompanied, subject to certain conditions, with the permission of their parent guardian. In the child's interest, Zambia Airways requires that he/she be escorted to the airport of departure and from the airport of arrival, and that the name and address of the escort be given at the time of reservation. Please apply to any of the Zambia Airways offices for further information on applicable fares and rules.

Personal belongings
We request you to take special care, especially at transit stops, of personal articles and/or unchecked baggage, as the Airline cannot accept responsibility for such items.

Passports, permits and visas
Please ensure that your passport is in order and that you have the necessary visas, permits and endorsements for your journey. Our staff will gladly give you any advice. Your passport is a valuable and essential document. Remember to carry it with you and not to pack it away.
If you are taking and bringing your camera back, you should declare it to the Customs Authorities at your point of departure.

Health regulations
For travel in Africa, normally it is necessary to have:
(a) A valid Yellow Fever Certificate. Validity is from 10 days to 10 years from date of primary inoculation. Re-inoculations are valid at once for 10 years.
(b) A valid Smallpox Certificate. Validity of primary vaccination from 8 days to 2 years from date of certification of reaction. For re-vaccination, it is immediately effective for 3 years.
Health certificates must be of the approved international form and should be carried in your passport. Please check what is necessary for your journey.

Free baggage allowance
Free Baggage Allowance of 30 kilos (66 lb.) First Class, 20 kilos (44 lb.) Economy is normally granted on Zambia Airways Corporation. For details please enquire at time of booking.
Children travelling at half-fare receive the full adult allowance, but infants travelling at 10% of the fare have no allowance. A carrycot or portable cradle is, however, included free in the infants own personal weight.

Personal items
In addition to the free allowance, the following may be carried free of charge; a lady's handbag, an overcoat, wrap or blanket, an umbrella or walking stick, a small camera, appair of binoculars, an invalids fully collapsible wheel chair, a pair of crutches and a reasonable amount of reading matter for the flight. Brief cases, typewriters, ladies vanity and large cameras have to be included in the baggage weights under the regulations of the international Air Transport Association.

Excess baggage
Baggage in excess of your free allowance will be subject to charges per kilo which normally are 1% of the first class single fare. If you are travelling with your family or friends, you may group your baggage and thereby benefit from the collective free allowance.

Unaccompanied baggage
Heavy baggage may be shipped at half the basic (under 45 kilos) cargo rates provided that it weights not less than 10 kilos (22 lb.) or as air cargo. Please take as much advance action as possible for this facility, in order to permit completion of all required clearance formalities. Custom operations on departure and arrival are your own responsibility.

Conditions of carriage
The General Conditions of Carriage are available for inspection at any of our airline offices or at the Airport.
Zambia Airways timetables show the local airport times of aircraft arrivals and departures but are subject to alterations without prior notice. Every effort is made to ensure punctuality of these schedules, but the airline cannot accept responsibility for any delays to, or suspension of, schedules and does not guarantee connections with any other services.

Government regulations
Please remember that it is your responsibility to comply with Customs, Passport, Currency and Health regulations of the countries which you intend to visit or transit. Our staff will, however, be pleased to advise you on any problem.
