PASSENGER TRANSPORTATION

The general information shown below is subject to specific limitations and regulations contained in the official PASSENGER TARIFF of REAL AIR LINES (Brazilian International Airlines).

SCHEDULES are subject to change without notice.

ARRIVAL AT EMBARKATION POINTS: There are certain governmental formalities which must be completed before an international flight may depart, and we must request that you arrive at the designated point — either airport or city dispatch office — in time for the completion of these formalities. Please note that flights will not be delayed to accommodate passengers arriving too late for completion of these formalities.

PASSPORTS AND VISAS: Our agents gladly furnish information concerning passports and visas. Passengers are responsible, however, for the validity of all documents such as passports (properly visaed), tourist cards, and permits, and are directed to the nearest consulate of the country, or countries to be visited in order to obtain the latest official advice.

TRAVEL FUNDS: You are urged to carry the major portion of your funds in the form of Travelers' Cheques, Money Orders, Letters of Credit, etc. However, cash — preferably U. S. dollars — in small denominations should also be available.

FARES: A 20 percent discount will be allowed on the return portion of round-trip tickets.

CHILDREN'S FARES: Children under two years of age will be charged 10% of the normal adult fare. Children under two years of age occupying individual seats, or children in excess of one accompanying a passenger paying the adult fare will be charged the same fare as for children two years of age or over but under 12.

Children two years of age or over but under 12. Children who have reached their second birthday but have not reached their twelfth birthday will be charged one-half of the normal adult fare.

STOPOVERS: You may arrange to stop at any scheduled stop on your trip provided that you arrange for stopovers prior to departure from the airport preceding your desired stopover.

MEALS: Complimentary meals are served either aloft or on the ground.

BAGGAGE: Free Allowance —Free weight allowance is 30 kilos (66 lbs.); which applies to children paying half fare as well as to adults.

EXCESS CHARGES: The charge for baggage over the free allowance is 1% of the adult one-way fare per kilo (2.2 lbs.) of excess weight.

CABIN AND CHECKED BAGGAGE: Since checked baggage will not be available during flight, it is suggested that on flights which include overnight travel you should carry a small overnight bag for toilet articles, etc., which you may carry in the cabin.

LOCAL TRANSFER SERVICE: Published fares apply from airport to airport. Transfers between airports named below and city pick up and delivery points in the cities shown below are not included in the fares.

TAXES: Transportation taxes are imposed by some governments; these are not included in the fares quoted and will be collected where they apply.
