GENERAL INFORMATION

PASSENGERS

Baggage—Free Allowance. *On domestic services:* 20 kilos for adults and children of 2 years and over, with the exception of Khartoum/Atbara/Wadi Halfa Services and Gezira Services, where the allowance is 10 kilos only. *On international services:* 30 kilos for adults and children of 2 years and over travelling first class and the same on "B" class services; 20 kilos for adults and children of 2 years and over travelling tourist class. No free baggage is allowed for infants under 2 years. (A carrying basket (carrycot), a reasonable amount of infant's food for consumption in flight, etc., are counted as part of the infant's own weight.)

Baggage—Personal Allowance. In addition to the above free allowance, the following articles may be carried, without additional charges, in the passenger's custody, except that invalids' wheel chairs and crutches may be carried in the passenger or cargo compartment of the aircraft:

<i>A lady's handbag or pocket book</i>	<i>A reasonable amount of reading matter for the flight</i>
<i>An overcoat or wrap</i>	
<i>A footrug</i>	<i>A fully collapsible invalid's wheel chair and/or a pair of crutches;</i>
<i>An umbrella or walking stick</i>	<i>provided that the passenger is dependent upon them.</i>
<i>A small camera</i>	
<i>A pair of binoculars</i>	

Brief cases, typewriters, cabin bags and other articles are, however, weighed as part of the free allowance.

Baggage—Excess Weight. Baggage weighing in excess of the free baggage allowance will be charged for at the appropriate rate and accepted only if space is available on the aircraft.

Baggage—Unaccompanied. Unaccompanied baggage may be sent at a special rate which is 50% of the basic cargo rate, provided it weighs not less than 10 kilos. Unaccompanied baggage may contain personal effects and clothing but *not* such items as furs, jewellery, liquor, perfumes etc.

Cancellations. Passengers who do not travel on the service for which they hold firm reservations, and who have not cancelled in advance, are liable to payment of a cancellation fee. Refund of full fare for reservations on domestic services which are cancelled or transferred at unreasonably short notice cannot be guaranteed.

Children's Fares. Children over the age of 2 and under the age of 12 travel at 50% of the published adult fare. One infant under 2 years of age accompanying an adult passenger is carried at 10% of the published fare provided it does not occupy an individual seat. Any additional infants under 2, accompanied by only one adult and occupying individual seats, will be charged 50%. Children below the age of 8 years will not be permitted to travel unless accompanied by an adult.

Student Fares. Rebated fares are available, on international services only, for schoolchildren and students who are over 12 years of age but under 26 years of age. Details are provided on request.

Departures. Passengers must arrive sufficiently early either at the town terminal or at the airport to allow embarkation formalities to be completed. Flights cannot be delayed for passengers arriving late and Sudan Airways cannot accept responsibility in such cases.

Health Certificates. Certain countries require travellers to possess valid certificates of inoculation and/or vaccination. Passengers are, therefore, advised to enquire well in advance whether any such certificates are required.

Passports. It is essential to make sure that passports are correctly endorsed and the necessary visas are obtained for the countries to which passengers are going.

Currency. Banks and travel agencies have details of prevailing currency restrictions in the countries to which passengers are going and it is advisable to find these out in advance.

Punctuality. While every effort is made to ensure the punctuality of all services, Sudan Airways cannot accept responsibility for the delay or suspension of a service, nor guarantee that connections will be made with other air services or surface carriers.

Stopovers. A passenger may break his journey at one or more intermediate points for as long as desired within the validity of the ticket provided that Sudan Airways are informed in advance. All ground transport and hotel expenses during stopovers arranged at passengers' request are their own responsibility.

Tickets. Tickets are issued subject to the Airline's Conditions of Carriage, details of which can be given on request.

The validity of single and return tickets is one year from the date of starting the first flight or, if unused, from date of issue.

Your fare includes meals and light refreshments in flight, and ground transport between airports and town terminals except at London, Rome and Cairo. At London, Rome and Khartoum there are also airport service charges for embarking passengers of 7s. 6d., 700 lire and 25 pt. respectively.

Through its interline arrangements with other international airlines Sudan Airways can book you to anywhere in the world. Similar facilities are available for shipment of air cargo.

CARGO

Quantity Discount. A discount of 25% of the basic air cargo rate applies to all consignments of 45 kilos or over. The quantity discount is not added to any other type of rebate and does not apply to valuable cargo.

Commodity and Classification Rates. Special rates are available for certain commodities and types of cargo. Full details are given on application.
