SAUDI ARABIAN AIRLINES

Is the largest commercial airfleet in the Middle East, comprised of 24: Convair-340 Douglas DC-4 and Douglas DC-3.

Operates a weekly schedule of 33 flights connecting 37 Cities in and outside of Saudi Arabia.

Participates to a great extent in the transport of Pilgrims to and from various countries throughout the Islamic World and is the ONLY Airline providing transportation for Pilgrims and Passengers to Medina.

Served by highly capable crews which ensures the safety of the operation. Has a perfect safety record - not a single fatal accident during the twelve years of service.

Maintains many large and well equipped workshops within their hangers for maintenance and overhaul of airframes, propellers, engines and other parts. Efficiently run by engineers with exceptional experience and considered as one of the most important maintenance bases in the Middle East.
