GENERAL INFORMATION

AIR CARGO AND PARCELS. West African Airways Corporation accepts air cargo and parcels for carriage, provided they do not fall within the list of articles which are prohibited for carriage by air; details of these may be obtained upon request. They are also subject to size and weight limitations. Special rebates are allowed on bulk consignments.

BAGGAGE. The free allowance of baggage for adults is 30 kgs. (66 lbs.). In addition to this, one overcoat or wrap, an umbrella or walking stick, a small pocket camera, binoculars and a lady's handbag may be carried free of charge. Overnight bags, briefcases, typewriters, etc., are weighed with the baggage and are subject to excess if over the free allowance.

BREAK OF JOURNEY. A break of journey is permitted on certain services provided the ticket is endorsed at the time of booking. The validity of the ticket remains unchanged.

CANCELLATIONS. When the single fare is less than £25, the deadline for cancellation is 48 hours before the scheduled departure of the service. Full cancellation fees will be imposed after this period of notice amounting to the full value of the single ticket. If the single fare is £25 or more, notice of cancellation must be given within 72 hours prior to the scheduled departure of the service, otherwise a fee of 25% of the single fare, or £25 (whichever is the greater) will be imposed.

CHARTER AIRCRAFT. De Havilland Dove aircraft having seating accommodation for 8 passengers over short distances and Handley Page Marathons having seating accommodation for 18 passengers may be chartered at reasonable rates. Bristol Wayfarer aircraft (44 seats) and Bristol "170" Freighter aircraft carrying loads up to 5 tons are also available. Aircraft are also available at short notice for ambulance duties, and stretcher cases may also be accommodated on the scheduled services subject to the condition of the patient.

CHILDREN. Children under two years of age, when accompanied by an adult, are charged 10% of the adult fare. Only one infant may accompany each adult at this rate. Children between 2 and 12 years of age (or infants in excess of one per adult) are carried at half the adult fare. The age limits referred to are taken as at the date of commencement of the outward journey. A free baggage allowance of 30 kilos. (66 lbs.) is available for children over two years of age but there is no free allowance for infants unless they pay half the adult fare. A portable cradle may be included in the personal weight of the infant.

CONDITIONS OF CARRIAGE. An extract from the General Conditions of Carriage may be found in every air ticket. A complete copy of the General Conditions of Carriage may be inspected at any Airport of call.

CONNECTIONS. Although every endeavour is made to ensure the punctuality of services, West African Airways Corporation cannot accept responsibility for any delay to or suspension of its services, and does not guarantee connections with its own or other Companies' services.

DEPARTURES. Passengers must attend at the Airport at the time shown on the back cover of the ticket in order to complete weighing and other formalities. No service can be delayed for a passenger whose arrival leaves insufficient time for these formalities to be completed and a forfeiture of the fare will be made.

FARES. All fares are subject to alteration without notice and are quoted from Airport to Airport. Surface transport is not normally provided nor included in the fare.

INSURANCE. West African Airways Corporation enjoys the privilege of being able to offer insurance at the favourable rates allowed to the large international airlines.

RESERVATIONS. There is a heavy demand for accommodation on all services and intending passengers are recommended to reserve seats well in advance. Firm bookings can only be accepted upon payment of the full fare. **The cost of any telegrams or trunk telephone calls in connection with the bookings are charged to the passenger.** West African Airways Corporation in its capacity as an agent for the principal airlines will be pleased to assist in effecting air reservations to any part of the world.

RETURN TICKETS. Return tickets for direct routes are issued at double the single fare, less 20% of the single fare. **A passenger holding a return ticket is not entitled to any priority and must make a return reservation in the normal manner.** To secure the reduction allowed on return tickets, the return fare must be paid when the outward ticket is purchased. If a passenger is unable to use the return half of the ticket, the difference between the single and return fare will be refunded provided the regulations governing cancellation have been observed.

REDUCED FARES. On the "Flyer" services reduced fares have been introduced. These services are operated by 48-seater Bristol B.170 aircraft.

STEWARD SERVICE. On services operated by Bristol Wayfarer aircraft a bar and steward service are available for the convenience of passengers.

UNACCOMPANIED BAGGAGE. Passengers travelling by B.O.A.C. services may now despatch their unaccompanied baggage at half the normal cargo rates, subject to a minimum baggage weight of 20 kilogrammes. Only personnel effects (not jewelry or cameras) may be sent in this way. Consignments can be accepted for all B.O.A.C. destinations other than those within the Americas or Pacific Islands.
